BUFFALO, N.Y.--(BUSINESS WIRE)--Mar. 11, 2014-- Gibraltar Industries (NASDAQ: ROCK) today announced that a trust that holds shares of the Company's common stock for the benefit of Brian J. Lipke, the Company's Chairman and Chief Executive Officer, has entered into a pre-arranged trading plan to sell a portion of those shares. The trading plan is designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and with the Company's insider trading policy. Mr. Lipke has authorized the entry into the trading plan in connection with his personal estate planning and a related long-term asset diversification program.

Under the trading plan, Mr. Lipke will have no control over the timing of sales of the Company's stock held by the trust and, subject to minimum price thresholds, sales of the Company's common stock will be made at prevailing market prices by the broker designated to carry the terms of the trading plan into effect. The trading plan permits the trust to sell up to approximately 15% of the total number of shares of the Company's common stock owned directly and indirectly by Mr. Lipke. The trading plan will expire December 31, 2014.
