### About Gibraltar

Gibraltar Industries is a leading manufacturer and distributor of building products, focused on residential and low-rise commercial building markets, as well as industrial and transportation infrastructure markets. The Company generates more than 80% of its sales from products that hold leading positions in their markets, and serves customers across North America and Europe. Gibraltar's strategy is to grow organically by expanding its product portfolio and penetration of existing customer accounts, while broadening its market and geographic coverage through the acquisition of companies with leadership positions in adjacent product categories. Comprehensive information about Gibraltar can be found on its website at <http://www.gibraltar1.com>.
