DEFINITIVE PROXY STATEMENT

Amendment No. 1

May 1, 2009

Date, Time and Place of Postponed Annual Meeting

This Amendment No. 1 to the Definitive Proxy Statement of Gibraltar Industries, Inc. which was dated April 3, 2009 and the accompanying form of proxy are being furnished in connection with the solicitation by the Board of Directors of Gibraltar Industries, Inc., a Delaware corporation (the "Company"), of proxies to be voted at the postponed Annual Meeting of Stockholders to be held at the Gateway Building, 3556 Lake Shore Road, Buffalo, New York, on May 18, 2009 at 10:30 a.m., local time, and at any adjournment, adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Postponed Annual Meeting of Stockholders.

Following the issuance of the Company's Definitive Proxy Statement dated April 3, 2009, the Company's Board of Directors, to accommodate concerns raised by shareholder advisory services organizations regarding the number of additional shares of common stock, par value \$.01 per share of the Company ("Common Stock") which would be available for issuance under the Gibraltar Industries, Inc 2005 Equity Incentive Plan (the "Plan") if the Plan, in the form proposed, was approved by the stockholders, has authorized a modification of the terms of the proposed amendment and restatement of the 2005 Equity Incentive Plan. This modification will limit the increase in the number of additional shares of Common Stock which would be available for issuance under the Plan to 750,000 shares, eliminate the right to pay the exercise price for stock options by executing and delivering a promissory note to the Company and permit the settlement of performance units which may be awarded under the terms of the Plan to be made in cash.

In order to prepare and distribute this Amendment No. 1 to the Definitive Proxy Statement, the Company will need to postpone the date of its Annual Meeting of Stockholders to May 18, 2009. This Amendment No. 1 to the Definitive Proxy Statement provides notice to the Company's stockholders of the new date for the Annual Meeting of the Company's Stockholders and revises the description of Proposal 2 to reflect the terms of the amended and restated Plan as revised pursuant to the authorization of the Company's Board of Directors. Except for the postponement of the date for the Annual Meeting of Stockholders, the revised proxy card reflecting the new date of the Annual Meeting of Stockholders and the changes to Proposal 2 and the accompanying Appendix A, there are no changes to the terms of the Definitive Proxy Statement which was mailed to stockholders on April 3, 2009.

Record Date and Related Information

The Board of Directors has fixed the close of business on March 20, 2009, as the record date for the determination of stockholders entitled to receive notice of and to vote at the originally scheduled Annual Meeting and this record date will continue to be effective as the record date for the determination of stockholders entitled to receive notice of and to vote at the postponed Annual Meeting. At the close of business on March 20, 2009 the Company had outstanding and entitled to vote at the postponed Annual Meeting 30,068,241 shares of Common Stock. Each share is entitled to one vote on each matter properly brought before the Annual Meeting. This Amendment No. 1 to the Definitive Proxy Statement and the accompanying form of proxy will first be sent or given to stockholders on or about May 1, 2009.

The cost of solicitation of proxies in the accompanying form will be borne by the Company, including expenses in connection with preparing and mailing this Definitive Proxy Statement Amendment No. 1. In addition to the use of the mail, proxies may be solicited by personal interviews and by telephone by directors, officers and employees of the Company. Arrangements will be made with brokerage houses, banks and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of Common Stock, and the Company will reimburse them for reasonable out-of-pocket expenses incurred in connection therewith.

If the enclosed proxy is properly executed, returned and received in time for the postponed Annual Meeting, the shares represented thereby will be voted in accordance with the specifications, if any, made on the proxy card. If no specification is made, the proxies will be voted as recommended by the Board of Directors FOR the nominees for director named in the Definitive Proxy Statement, FOR the approval of the adoption of the Third Amendment and Restatement of the Gibraltar Industries, Inc. 2005 Equity Incentive Plan and FOR the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the postponed Annual Meeting will constitute a quorum. Each nominee for election as a director requires a plurality of the votes cast in order to be elected. A plurality means that the nominees with the largest number of votes are elected as director up to the maximum number of directors to be elected at the postponed Annual Meeting. Each other proposal submitted to the stockholders requires the affirmative vote of holders of a majority of the shares present at the meeting, in person or by proxy, entitled to vote. With respect to the election of directors, only shares that are voted in favor of a particular nominee will be counted towards achievement of a plurality and where a stockholder properly withholds authority to vote for a particular nominee, such shares will not be counted towards such nominee's or any other nominee's achievement of a plurality. With respect to the other proposals to be voted upon: (i) if a stockholder specifies an abstention from voting on a proposal, such shares are considered present at the meeting for such proposal but, since they are not affirmative votes for the proposal, they will have the same effect as votes against the proposal and (ii) shares registered in the names of brokers or other "street name" nominees for which proxies are voted on some but not all matters will be considered to be voted only as to those matters actually voted, and will not have the effect of either an affirmative or negative vote as to the matters with respect to which a beneficial holder has not provided voting instructions.

Revocability of Proxy

The execution of a proxy will not affect a stockholder's right to attend the postponed Annual Meeting and to vote in person. A stockholder who executes a proxy may revoke it at any time before it is exercised by giving written notice to the Secretary, by appearing at the postponed Annual Meeting and so stating, or by submitting another duly executed proxy bearing a later date.

PROPOSAL 2

APPROVAL OF THE ADOPTION OF THE THIRD AMENDMENT AND RESTATEMENT OF THE GIBRALTAR INDUSTRIES, INC. 2005 EQUITY INCENTIVE PLAN

During 2008, the Compensation Committee of the Board of Directors concluded that a significant portion of future equity based awards issued to the executives under the Company's Long Term Incentive Compensation Plan (LTIP) should be performance based.

Effective as of May 19, 2005, the Company adopted the Gibraltar Industries, Inc. 2005 Equity Incentive Plan (the "Plan") with the approval of the Company's stockholders. On December 18, 2006, the Company amended and restated the Plan to limit the form of payment of certain awards to an issuance of shares of the Company's common stock (the "Common Stock"). Effective as of December 31, 2008, the Company amended and restated the Plan to comply with the provisions of Section 409A of the Internal Revenue Code and the related regulations promulgated by the United States Treasury Department.

In connection with the Compensation Committee's decision to include performance conditions on a significant portion of future equity based awards to the executives under the LTIP, and to allow the continued use of equity based compensation which the Board of Directors believes aligns the interests of executives with those of the shareholders, on February 25, 2009, the Board of Directors approved the adoption of a Third Amendment and Restatement of the Plan (the "Plan Restatement") which would increase the number of shares of Common Stock which could be issued under the Plan by 2,250,000 shares. On April 17, 2009, the Board of Directors authorized a modification of the terms of the proposed Plan Restatement which reduced the amount of the increase in the number of shares of Common Stock which could be issued under the terms of the Plan Restatement from 2,250,000 to 750,000. As modified, the Plan Restatement, subject to the approval of the Company's stockholders, provides: (i) for an increase in the aggregate number of shares of Common Stock which may be issued pursuant to awards made under the terms of the Plan from 2,250,000 to 3,000,000; (ii) that the total number of shares of Common Stock

of the Company which may be issued pursuant to awards made under the terms of the Plan will not be reduced by restricted stock units or performance units which are settled solely in cash rather than in shares of the Company's Common Stock; (iii) that performance units are permitted to be settled in cash; (iv) for the elimination (subject to the 3,000,000 overall limit on the maximum number of shares of Common Stock that may be issued pursuant to awards made under the terms of the Plan) of the limitation on the maximum number of restricted stock units and restricted shares which may be issued under the terms of the Plan; (v) for the elimination of the limit of 200,000 on the aggregate number of shares of Common Stock which may be issued to any individual participant over a five (5) year period in connection with awards of options, performance shares, performance units and rights made under the Plan; and (vi) for the elimination of the right of optionees to pay the exercise price of options awarded under the Plan Restatement by the execution and delivery of a promissory note. The amendments to the Plan provided for by the Plan Restatement will provide the Compensation Committee with greater flexibility in the structuring of the compensation program which the Company maintains for its executive officers and other eligible participants, and will allow a greater emphasis to be placed on performance based awards.

Information concerning the number of restricted shares and restricted stock units issued to Executive Officers and the non-employee directors under the Plan during the last year is set forth in the Company's Definitive Proxy Statement filed with the Securities and Exchange Commission on April 3, 2009 under the headings "Compensation of Directors" and "Grants of Plan-Based Awards".

The following is a summary of the material features of the Plan as amended and restated by the Plan Restatement and does not purport to be complete. The summary is subject to and qualified in its entirety by the terms of the Plan Restatement, a copy of which is set forth as Appendix A of this Amendment No 1 to Definitive Proxy Statement.

Purpose

The Plan allows the Company to grant equity based incentive compensation awards to eligible participants (described below) to provide them an additional incentive to promote the business of the Company, to increase their proprietary interest in the success of the Company and to encourage them to remain in its employ.

Eligible Participants

The individuals that are eligible to receive awards under the Plan are officers and other employees of the Company and its subsidiaries, non-employee directors of the Company and consultants and independent advisors to the Company. As of December 31, 2008, all of the Company's executive officers and all of the non-employee directors had received awards under the Plan.

Administration

The Board of Directors administers the Plan with respect to non-employee directors, consultants and independent advisors. The Board of Directors also administers the Plan with respect to Executive Officers, based on recommendations of the Compensation Committee. The Compensation Administration Committee, as defined in the Plan Restatement, administers the Plan with respect to all other employees. The administrator of the Plan is referred to as the Committee.

Reservation of Common Stock

Initially in 2005, 2,250,000 shares of Common Stock were reserved for issuance under the Plan. In the event that the Plan Restatement is approved, there will be an additional 750,000 shares of Common Stock reserved for issuance under the Plan. If an award made under the Plan expires, is forfeited or is to be settled by payment of cash, the shares which could have been purchased or granted under that award will again be available for issuance under the Plan. The number of shares of Common Stock available for issuance under the Plan and the number of shares issuable under outstanding awards will be proportionately adjusted if the number of outstanding shares of the Common Stock changes as a result of a stock dividend, stock split, recapitalization or the like, or if the Common Stock is converted as a result of a reorganization.

Types of Awards

Awards under the Plan may be in the form of Options, Restricted Shares, Restricted Units, Performance Shares, Performance Units and Rights.

Terms of Awards

The Committee determines which eligible participants shall be granted awards, the terms and provisions of the awards and the number of shares of Common Stock for which awards are granted.

Options

Option Price. The exercise price of each option granted under the Plan will be determined by the Committee at the time the option is granted, but shall not be less than 100% of the fair market value of the Common Stock on the date of the grant or, if greater, the par value of a share of Common Stock. Grants of incentive stock options to individuals holding 10% or more of the combined voting power of the Company's outstanding capital stock cannot have an exercise price of less than 110% of the fair market value of the Common Stock on the date of the grant.

Option Exercise Periods. Options granted under the Plan expire ten years after the date granted. Incentive Stock Options granted to individuals holding 10% or more of the voting power of the Company's outstanding capital stock expire after five years. Options will not be exercisable upon termination of a holder's service with the Company, whether or not they were otherwise exercisable, unless so provided in the terms of the Option award.

Restricted Shares and Restricted Units

Restrictions and Restricted Period. Restricted Shares or Restricted Units granted under the Plan may not be sold or otherwise disposed of during a restricted period established by the Committee at the time of the grant.

Rights While Restricted Shares Remain Subject to Restrictions. Holders of Restricted Shares granted under the Plan shall have the right to vote Restricted Shares and receive payment of dividends on Restricted Shares during the restricted period. If provided by the terms of a Restricted Share award, dividends payable with respect to Restricted Shares may be used to purchase additional shares, subject to the same restrictions as the original shares.

Rights While Restricted Units Remain Subject to Restrictions. Restricted Units do not provide any voting or cash dividend rights to the holder of such Units. However, dividends paid in shares will entitle a holder of Restricted Units to additional Restricted Units having the same restricted period as the original Restricted Units.

Management Stock Purchase Plan. On the date that the adoption of the Plan was approved, the Board of Directors approved the adoption of the Gibraltar Industries, Inc. Management Stock Purchase Plan (the "MSPP") to establish a framework for a specific type of Restricted Unit award under the Plan. The MSPP is an integral part of the Plan. Effective as of December 18, 2006, the Company adopted a First Amendment and Restatement of the MSPP to provide the Company's non-employee directors with the right to use a portion of their Director Fees to purchase Restricted Units at a purchase price equal to the fair market value of the Company's Common Stock, which, except in the case of a change of control, is equal to the average of the closing prices of a share of Common Stock as reported by the NASDAQ National Market System on each of the two hundred (200) consecutive trading days immediately preceding the date of the determination of fair market value (the "Fair Market Value"). On December 30, 2008, the Company amended and restated the MSPP to permit eligible participants to use up to twenty-five percent (25%) of their base salary and up to one hundred percent (100%) of their annual incentive compensation to purchase Restricted Units at price equal to the then applicable Fair Market Value of the Company's Common Stock. If an eligible employee uses a portion of his base salary or annual bonus to purchase Restricted Units, the Company will make an award of an additional number of Restricted Units equal to a specified percentage of the base salary and a specified percentage of the annual bonus used by the eligible employee to purchase Restricted Units (the "Employee Matching Units"). If an eligible non-employee director uses a portion of his Director Fees to purchase Restricted Units, the Company will make an award of an identical number of Restricted Units (the "Director Matching Units" and together with the Employee Matching Units, the "Matching Units"). The Plan Restatement clarifies that because Restricted Units (including Matching Units) purchased or awarded under the MSPP are settled solely in cash, such Restricted Units will not reduce the number of shares otherwise available for issuance under the Plan Restatement. Restricted Units purchased by an eligible employee or a non-employee director under the MSPP are non-forfeitable.

Forfeiture of Restricted Shares and Restricted Units. If the holder of Restricted Shares or Restricted Units terminates his service with the Company before the expiration of the restricted period, the Restricted Shares or Restricted Units will be forfeited unless otherwise specifically provided by the terms of the award. In addition, any Matching Units awarded to eligible participants under the MSPP will be forfeited if the eligible employee's employment is terminated before age 60 or if the non-employee director ceases to serve as a director before age 60.

Payment of Restricted Shares and Restricted Units. Payment upon the lapse of the restricted period for Restricted Shares and Restricted Units which have not been awarded under MSPP shall be made by the issuance of shares of Common Stock. Restricted Units awarded under the MSPP shall only be paid in cash.

Performance Shares and Performance Units

Performance Goals and Performance Period. The Committee establishes written performance goals and performance periods for each award of Performance Shares or Performance Units granted under the Plan.

Rights While Performance Shares Remain Subject to the Achievement of Performance Goals. Holders of Performance Shares granted under the Plan shall have the right to vote Performance Shares and receive payment of dividends on Performance Shares during the performance period. However, if provided by the terms of a Performance Share award, dividends on Performance Shares may be used to purchase additional shares, subject to the same performance goals and performance period as the original Performance Shares.

Rights While Performance Units Remain Subject to the Achievement of Performance Goals. Performance Units do not provide any voting or cash dividend rights to the holder of such Units. However, dividends paid in shares will entitle a holder of Performance Units to additional Performance Units having the same performance goals and performance period as the original Performance Units.

Forfeiture of Performance Shares and Performance Units. If the holder of Performance Shares or Performance Units terminates his service with the Company before the expiration of the performance period, the Performance Shares or Performance Units will be forfeited unless otherwise specifically provided by the terms of the award.

Payment for Performance Shares and Performance Units. Common Stock will be issued for the payment of Performance Shares if performance goals are achieved within the performance period. Common Stock will be issued or cash will be paid for Performance Units, as provided in the terms of the award of Performance Units, if performance goals are achieved within the performance period.

Rights

Terms of Rights. Rights granted under the Plan shall provide the holder with the right to receive shares in an amount determined based on the appreciation, if any, in the value of a specified number of shares of Common Stock over a specified period of time, each as established by the Committee. The base price used to determine the amount of the appreciation in value will not be less than the fair market value of a share of Common Stock on the date the award of Rights is made.

Rights during the Appreciation Period. Rights do not provide any voting or cash dividend rights to the holder. However, dividends paid in shares of Common Stock will entitle a holder to additional Rights having an appreciation period which ends at the same time the appreciation period ends for the original Rights. The base price for such additional Rights is the fair market value of a share of Common Stock on the date dividends are paid.

Forfeiture of Rights. If the holder of Rights terminates his service with the Company before the expiration of the appreciation period, the Rights will be forfeited unless otherwise specifically provided by the terms of the award of such Rights.

Change in Control

Upon a "change in control" of the Company (as defined in the Plan), all outstanding Options and Rights will be converted to a right to receive cash, restrictions on Restricted Shares and Restricted Units will lapse, and all Performance Shares and Performance Units will be treated as if the performance goals had been met.

Federal Tax Consequences

Options. Upon exercise of an Incentive Stock Option, an optionee will not realize federally taxable income (except that the alternative minimum tax may apply) and the Company will not be entitled to any deduction. If the optionee sells the shares more than two years after the grant date and more than one year after exercise, the entire gain, if any, realized upon the sale will be federally taxable to the optionee as long-term capital gain and the Company will not be entitled to a corresponding deduction. If the optionee does not satisfy the holding period requirements, the optionee will realize ordinary income, in most cases equal to the difference between the option price of the shares and the lesser of the fair market value of the shares on the exercise date or the amount realized on a sale or exchange of the shares, and the Company will be entitled to a corresponding deduction. The favorable tax treatment provided by the Internal Revenue Code to Incentive Stock Options granted under the Plan is limited to options to purchase Common Stock, which have a fair market value of \$100,000.00 at the date of the option grant and that first become exercisable in any one year.

Restricted Shares and Performance Shares. The value of Restricted Shares and Performance Shares awarded are taxed as ordinary income to the award recipient in the year the restrictions lapse and the award is paid. Alternatively, recipients of an award of Restricted Shares or Performance Shares may file an election under Section 83(b) of the Internal Revenue Code and include the value of the Restricted Shares or Performance Shares as ordinary income in the year of the grant.

The discussion set forth above is a brief overview of certain United States federal income tax consequences of awards made under the Plan. The overview should not be relied on as being a complete description of the applicable United States federal income tax consequences. In addition, this overview does not address the state, local, foreign and other tax aspects of awards made under the Plan.

Transferability

Generally, awards granted under the Plan are not transferable by a recipient during his or her lifetime. However, if the award is not an Incentive Stock Option, and the instrument evidencing the award permits, a recipient may transfer his or her rights with respect to an award, or any portion thereof, to a family member.

Amendments

The Board of Directors may suspend, amend or terminate the Plan, provided that, stockholder approval is required for any amendment which: (i) increases the maximum number of shares as to which options may be issued under the Plan; or (ii) materially modifies the requirements as to eligibility or participation in the Plan. The applicable listing standards of the NASDAQ National Market System require stockholder approval of any material amendment to the Plan.

Effective Date

The Plan was initially approved by the stockholders of the Company on May 1, 2005. The First Amendment and Restatement was adopted by the Company and effective as of December 18, 2006 and the Second Amendment and Restatement was adopted by the Company and effective as of December 31, 2008.

Vote Required

The affirmative vote of the holders of a majority of the shares of Common Stock present, in person or by proxy, and entitled to vote at the postponed Annual Meeting of Stockholders is required to approve the Plan Restatement. If the stockholders do not approve the Plan Restatement, the Plan in its current form will remain in effect.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THE ADOPTION OF THE THIRD AMENDMENT AND RESTATEMENT OF THE GIBRALTAR INDUSTRIES, INC. 2005 EQUITY INCENTIVE PLAN IN PROPOSAL 2.

OTHER MATTERS

The Company's management does not currently know of any matters to be presented for consideration at the, postponed Annual Meeting other than the matters described in the Notice of postponed Annual Meeting. However, if other matters are presented, the accompanying proxy confers upon the person or persons entitled to vote the shares represented by the proxy, discretionary authority to vote such shares in respect of any such other matter in accordance with their best judgment.

AWARDS

An Award in any of the foregoing forms may be granted to any Eligible Person or to any group of Eligible Persons, upon terms and conditions that differ from the terms and conditions upon which any other Awards in the same form are made to other Eligible Persons or groups of Eligible Persons.

2.02 Written Instrument. Each Award made to an Eligible Person under the Plan shall be evidenced by a written instrument in such form as the Committee shall prescribe, setting forth the terms and conditions of the Award. The instrument evidencing the grant of any Award hereunder shall specify that the Award shall be subject to all of the terms and provisions of the Plan as in effect from time to time but subject to the limitation on amendments set forth in Section 11.09 of the Plan.

2.03 *Surrender and Exchange of Awards.* The Committee may, in its discretion, grant an Award to a Participant who has previously been granted an Award under the Plan or an award under any other employee compensation or benefit plan maintained by the Company or any of its Affiliates (any such previously granted Award or award being hereinafter referred to as a "Prior Award"), in exchange for the surrender and cancellation of such Prior Award or any portion thereof. The new Award so granted may, in the discretion of the Committee, be in a form which is different than that of the Prior Award surrendered, and may be granted subject to terms and conditions that differ from those to which the surrendered Prior Award were subject. Notwithstanding the foregoing, no grant of a new Award in exchange for a Prior Award may be made hereunder unless: (a) the aggregate fair value of the new Award does not exceed the aggregate fair value of the Prior Award, determined as of the time the new Award is granted; and (b) the grant of the new Award would not constitute a "repricing" of any Option or would not otherwise be treated as a "material revision" of the Plan.

ARTICLE 3.

SHARES SUBJECT TO THE PLAN

3.01 *Shares Available for Awards.* Shares distributed in respect of Awards made under the Plan may be authorized but unissued Shares, Shares held in the treasury of the Company or Shares purchased by the Company on the open market at such time or times and in such manner as it may determine. The Company shall be under no obligation to issue or acquire Shares in respect of an Award made under the Plan before the time when delivery of Shares is due under the terms of the Award. The number of Shares available for distribution in respect of Awards made under the Plan shall be subject to the following limitations:

(a) Subject to the provisions of Section 3.02 hereof, effective as of May 19, 2005 (the date on which this Plan became effective) the aggregate number of Shares that were authorized to be issued in respect of Awards made under the Plan was limited to two million two hundred fifty thousand (2,250,000) Shares. Effective as of the date this amendment and restatement is approved by the Company's stockholders, in addition to the number of Shares available for issuance pursuant to the terms of the Plan as of December 31, 2008, an additional seven hundred fifty thousand (750,000) Shares may be issued in respect of Awards made under the Plan and shall be reserved for issuance pursuant to the terms of the Plan. Accordingly, the total number of Shares which may be issued pursuant to Awards issued under the terms of the Plan shall, subject to the provisions of Section 3.02 hereof, be equal to three million (3,000,000) Shares. The maximum number of Shares that are available for issuance pursuant to the Plan shall not be reduced by Awards of Restricted Units that are payable only in cash in an amount equal to the Fair Market Value of the Restricted Units which are the subject of such Awards and shall not be reduced by Awards of Performance Units that are payable only in cash in an amount equal to the Fair Market Value of the Performance Units which are the subject of such Awards. The maximum aggregate number of Shares that may be issued pursuant to all Awards of Incentive Stock Options and Rights granted under the Plan shall not exceed nine hundred thousand (900,000) Shares.

(b) Subject to the provisions of Section 3.01(a) and Section 3.01(c), upon the grant of any Award, the overall aggregate number of Shares available for further Awards under the Plan, and if the Award so granted was in a form subject to a limitation on the aggregate number of Shares available for Awards in that form, the aggregate number of Shares available for further Awards under the Plan in that form, shall be reduced by the number of Shares subject to the Award so granted.

(c) There shall be added back to the aggregate number of Shares available for the grant of Awards under the Plan, as determined under (a) and (b) above, the following: (i) any Shares as to which an Option granted hereunder has not been exercised at the time of its expiration, cancellation or forfeiture; (ii) any Shares included in any other form of Award granted to an Eligible Person hereunder, to the extent that the person's right to receive such Shares, or any cash payment in settlement of such Award, is forfeited; (iii) any Shares represented by Restricted Units granted hereunder as to which payment is to be made in cash instead of by the issuance and delivery of Shares; (iv) any Shares represented by Performance Units granted hereunder as to which payment is to be made in cash instead of by the issuance of Shares; and (v) any Shares subject to an

Option granted hereunder, or covered by any other form of Award made hereunder, to the extent such Option or other Award is surrendered in exchange for any other Award made hereunder.

3.02 Certain Adjustments to Shares. In the event of any change in the number of outstanding Shares of Common Stock without receipt of consideration by the Company resulting from any stock dividend, stock split, recapitalization, reorganization, merger, consolidation, split-up, combination or exchange of Shares, or any rights offering to purchase Shares of Common Stock at a price substantially below fair market value, or any similar change affecting the Shares of Common Stock: (a) the maximum aggregate number and kind of Shares specified herein as available for the grant of Awards, or for the grant of any particular form of Award, under the Plan; (b) the number and kind of Shares that may be issued and delivered to Participants upon the exercise of any Option, or in payment with respect to any Award of Restricted Shares or Performance Shares, that is outstanding at the time of such change; (c) the number and kind of Shares represented by any Restricted Units, Performance Units, Rights or Dividend Equivalent Units that are outstanding at the time of such change; (d) the number of Shares represented by any Award of Rights; (e) the exercise price per share of any Options granted hereunder that are outstanding at the time of such change; and (f) the Base Price established with respect to any Rights granted hereunder that are outstanding at the date of such change, shall be appropriately adjusted consistent with such change in such manner as the Compensation Administration Committee, in its sole discretion, may deem equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, the Participants hereunder.

In the case of any outstanding Incentive Stock Option, any such change shall be made in the manner that satisfies the requirements that must be met under Section 424 of the Code in order for such change not to be treated as a "modification" of such Option as defined under Section 424 of the Code.

The Committee shall give notice to each Participant of any adjustment made pursuant to this Section and, upon such notice, such adjustment shall be effective and binding for all purposes.

3.03 Listing and Qualification of Shares. The Company, in its discretion, may postpone the issuance, delivery, or distribution of Shares with respect to any Award until completion of such stock exchange listing or other qualification of such Shares under any state or federal law, rule or regulation as the Company may consider appropriate, and may require any Participant to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of the Shares in compliance with applicable laws, rules and regulations.

4.01 Awards of Options. Subject to the limitations set forth in Article 3 above and to the other terms and conditions of the Plan, Options may be granted under the Plan to Eligible Persons for the purchase of such number of Shares, at such times and, upon such terms and conditions, as the Committee in its discretion may determine.

4.02 Type of Options. Each Option granted hereunder shall be identified in the instrument evidencing such grant as either: (a) an Option intended to be treated as an Incentive Stock Option; or (b) an Option that shall be treated as a Non-Qualified Stock Option.

4.03 Term of Options. The period of time during which an Option may be exercised shall be such period of time as is determined by the Committee and specified in the instrument setting forth the terms of the Option Award; provided that, in no event may the period of time during which an Option may be exercised exceed ten (10) years from the Date of Grant of the Option. Notwithstanding any other provision in this Plan to the contrary, no Option may be exercised after its expiration.

4.04 Exercise of Options. Each Option granted hereunder shall become exercisable, in whole or in part, at such time or times during its term as the instrument evidencing the grant of such Option shall specify. To the extent that an Option has become exercisable, it may be exercised thereafter, in whole or in part, at any time or from time to time prior to its expiration, as to any or all Shares as to which the Option has become and remains exercisable, subject to the provisions of Section 4.05 below.

4.05 *Termination of Service.* Except as the instrument evidencing the grant of an Option may otherwise provide, the portion of any outstanding Option held by an Eligible Person on the date of his or her Termination of Service that has not become exercisable prior to such date, and the portion of such Option which was exercisable but had not been exercised prior to the date of the Eligible Person's Termination of Service, shall be forfeited on such date.

Notwithstanding the foregoing, if the Committee so determines, in its discretion, the instrument evidencing the grant of an Option may provide that the portion of the Option that is exercisable at the time of the Eligible Person's Termination of Service will continue to be exercisable, and that the portion of such Option that is not exercisable at such time will become exercisable in accordance with the terms of the Option and remain exercisable thereafter, during such period of time after the date on which the Eligible Person's Termination of Service occurs (but not beyond the expiration of the term of the Option), in such circumstances and subject to such terms and conditions, as are specified in such instrument. However, to the extent that any Option granted hereunder to an Employee as an Incentive Stock Option is exercised more than three months after the date of such Employee's Termination of Service for any reason other than Disability, or more than one year after such date if the Employee's Termination of Service occurred because of Disability, the Option shall be treated as a Non-Qualified Stock Option for purposes of the Plan.

4.06 *Exercise Price and Method of Exercise.* The price at which Shares may be purchased upon any exercise of an Option shall be the price per share determined by the Committee and specified in the instrument evidencing the grant of such Option; provided that, in no event shall the exercise price per Share be less than: (a) the Fair Market Value of a Share determined as of the Date of Grant of the Option; or (b) if greater, the par value of a Share.

An Option shall be exercised by delivery of a written notice of exercise, in a form satisfactory to the Committee, to the Company at its principal business office and addressed to the attention of the Company's Secretary or such other person as the Company's Secretary may have designated to receive such notice. The notice shall specify the number of Shares with respect to which the Option is being exercised. The notice shall be accompanied by payment of the exercise price of the Shares for which the Option is being exercised, which payment shall be made under one or more of the methods of payment provided in Section 4.07 below.

4.07 *Payment.* Payment of the exercise price for Shares purchased upon the exercise of an Option shall be made by one, or by a combination of any, of the following methods: (a) in cash, which may be paid by check or other instrument acceptable to the Company, or by wire transfer of funds, in each case in United States dollars; (b) if permitted by the Committee and subject to any terms and conditions it may impose on the use of such methods, by: (i) the delivery to the Company of other Shares owned by the Participant; provided that such shares have been owned by the Participant for the requisite period necessary to avoid a charge to the Company's earnings; or (ii) the surrender to the Company of Shares that otherwise would have been delivered to the Participant upon exercise of the Option; and (c) to the extent permissible under applicable law, through any cashless exercise sale and remittance procedure that the Committee in its discretion may from time to time approve.

For purposes of determining the portion of the exercise price payable upon the exercise of an Option that will be treated as satisfied by the delivery or surrender of Shares pursuant to clause (b) (i) or (ii) above, Shares so delivered or surrendered shall be valued at their Fair Market Value determined as of the business day next preceding the date on which the Option is exercised.

4.08 *Incentive Stock Options.* Notwithstanding any other provisions of the Plan, Incentive Stock Options granted under the Plan shall be subject to the following provisions:

(a) No Incentive Stock Option may be granted under the Plan after February 9, 2015.

(b) To the extent that the aggregate Fair Market Value of Shares with respect to which Incentive Stock Options granted under the Plan and under all other stock option plans maintained by the Company are exercisable for the first time by a Participant during any calendar year exceeds \$100,000, the Incentive Stock Options so exercisable shall be treated as Non-Qualified Stock Options. For purposes of the foregoing, the Fair Market Value of Shares as to which any Incentive Stock Option may be exercised shall be determined as of the Date of Grant of such Option. The determination of whether the limitation set forth in the first sentence of this

Section 4.08(b) applies with respect to any Incentive Stock Option granted under the Plan shall be made in accordance with applicable provisions of Section 422 of the Code and the regulations issued thereunder.

(c) No Incentive Stock Option shall be granted to an Employee if, as of the Date of Grant of such Option, such Employee owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company, unless: (i) the exercise price per Share under such Option is at least 110% percent of the Fair Market Value of a Share determined as of the Date of Grant of such Option; and (ii) such Option is not exercisable after the expiration of five (5) years from the Date of Grant of such Option. If an Option, designated as an Incentive Stock Option, is granted to an Employee who owns more than ten percent (10%) of the total combined voting power of all classes of stock of the Company and either the price per Share at which the Option is exercisable or the date on which the Option expires does not satisfy the limitations specified above, such Incentive Stock Option shall be treated as a Non-Qualified Stock Option.

(d) The instrument evidencing the grant of any Incentive Stock Option shall require that if any Shares acquired upon the exercise of such Option are disposed of within 2 years from the Date of Grant of such Option, or within one year from the date as of which the Shares disposed of were transferred to the Participant pursuant to the exercise of such Option, the Participant shall give the Company written notice of such disposition, within ten days following the date of such disposition.

4.09 Other Option Provisions. The instrument evidencing the grant of any Option hereunder may contain such other terms and conditions, not inconsistent with the provisions of the Plan or any applicable law, as the Committee may determine.

4.10 Rights of a Shareholder. Upon the exercise by a Participant of an Option or any portion thereof in accordance with the Plan, the provisions of the instrument evidencing the grant of such Option and any applicable rules and regulations established by the Committee and the issuance to the Participant of a certificate representing the Shares with respect to which the Option has been exercised, the Participant shall have all of the rights of a stockholder of the Company with respect to the Shares issued as a result of such exercise. Prior to the issuance to a Participant of a certificate representing Shares issuable to the Participant upon his or her exercise of an Option, the Participant shall not have any rights as a stockholder of the Company with respect to such Shares.

ARTICLE 5.

RESTRICTED SHARES AND RESTRICTED UNITS

5.01 Awards of Restricted Shares and Restricted Units. Subject to the limitations set forth in Article 3 and to the other terms and conditions of the Plan, Restricted Shares and Restricted Units may be granted to such Eligible Persons, at such times, and in such amounts, as the Committee may determine in its discretion. In addition to Awards of Restricted Shares or Restricted Units which may be made to any Eligible Person in recognition of services provided to the Company and its Affiliates or as an incentive for such Eligible Person to continue to contribute to the profitability and growth of the Company and its Affiliates, effective as of May 19, 2005, the Company adopted a framework under which a specific type of Restricted Unit Awards will be made, which framework, as amended from time to time prior to the effective date hereof, is known as the Gibraltar Industries, Inc. Management Stock Purchase Plan (the "MSPP"). The MSPP is intended to be treated as an integral part of this Plan and provides for the granting of Awards of Restricted Units to Eligible Persons in consideration for and recognition of the agreement of such Eligible Persons to authorize the Company to credit Restricted Units to an account established for the benefit of such Eligible Persons under the MSPP in lieu of the payment to such Eligible Persons of a portion of the base salary and/or a portion of the annual incentive bonus (in the case of an Eligible Person that is an Employee) or all or part of the Director fees (in the case of an Eligible Person that is a member of the Company's Board of Directors) which such Eligible Persons would otherwise be entitled to receive from the Company and its Affiliates.

5.02 Restrictions and Restricted Period. At the time of each grant of Restricted Shares or Restricted Units to any Participant, the Committee shall establish a period of time within which the Restricted Shares or Restricted Units covered by such grant (and the Participant's right to receive payment with respect to such Restricted Units) may not be sold, assigned, transferred (other than a transfer to the Participant's Beneficiary occurring by reason of

the Participant's death), made subject to gift, or otherwise disposed of, or mortgaged, pledged or otherwise encumbered, whether voluntarily or by operation of law. The Committee in its discretion may prescribe a separate Restricted Period for any specified portion of the Restricted Shares or Restricted Units granted pursuant to any Award.

5.03 *Rights While Restricted Shares Remain Subject to Restrictions.* Restricted Shares granted to a Participant hereunder may be issued to the Participant as of the Date of Grant as uncertificated shares or as Shares represented by a stock certificate bearing a legend or legends making appropriate references to the Restrictions. Until the Restrictions which apply to Restricted Shares lapse in accordance with the provisions of Section 5.05 below or Section 9.01(c), the Restricted Shares granted to a Participant which are not certificated shall be held in the Participant's name in a bookkeeping account maintained by the Company and Restricted Shares granted to a Participant and represented by a stock certificate shall continue to bear the legend or legends making reference to the Restrictions. A separate account shall be maintained for all Restricted Shares granted to a Participant with a Restricted Period ending on the same date.

Except for the Restrictions which apply to Restricted Shares, and subject to the forfeiture provisions applicable under Section 5.06 below, a Participant shall have, with respect to all Restricted Shares so held for his account, all of the rights of a stockholder of the Company, including full voting rights with respect to such Shares and the right to receive currently with respect to the Participant's Restricted Shares all dividends and other distributions payable generally on the Company's Shares. If any dividends or distributions so payable are paid in Shares, the Shares paid as a dividend or distribution with respect to a Participant's Restricted Shares shall be subject to the same Restrictions and provisions relating to forfeiture as apply to the Restricted Shares with respect to which they were paid. Such stock dividend Shares shall themselves be treated as Restricted Shares, and shall be credited to the same account which the Company maintains for those Restricted Shares of the Participant with respect to which such stock dividends or distributions were paid.

Notwithstanding the foregoing, if the instrument evidencing the grant of any Restricted Shares to a Participant so provides, all cash dividends and distributions payable generally on the Company's Shares that are otherwise payable with respect to the Restricted Shares granted to the Participant shall not be paid currently to the Participant but instead, shall be applied to the purchase of additional Shares for the Participant's account. The additional Shares so purchased shall be subject to the same Restrictions and provisions relating to forfeiture as apply to the Restricted Shares with respect to which they were paid. Such additional Shares shall themselves be treated as Restricted Shares, and shall be credited to the same account which the Company maintains for those Restricted Shares of the Participant with respect to which such dividends or distributions were paid. The purchase of any such additional Shares shall be made in accordance with such other procedure as may be specified in the instrument evidencing the grant of the Restricted Shares on which such dividends are paid.

5.04 *Rights While Restricted Units Remain Subject to Restrictions.* No Shares shall be issued at the time an award of Restricted Units is made. Except as provided in the following paragraph or otherwise provided by the instrument evidencing an Award of Restricted Units, a Participant that is the holder of an Award of Restricted Units shall not have any rights as a shareholder with respect to such Restricted Units. Restricted Units granted to a Participant hereunder shall be credited to a bookkeeping account maintained by the Company for the Participant. A separate account shall be maintained for all Restricted Units granted to a Participant with a Restricted Period ending on the same date and for all Dividend Equivalent Units that are to be credited to such account in accordance with the next following paragraph.

If any dividends or other distributions payable on the Company's Shares are paid in Shares during any period that a Participant holds an Award of Restricted Units, as of the applicable Dividend Payment Date, a number of additional Restricted Units shall be credited to each account established for the Participant to reflect the number of Restricted Units held by the Participant as of such Dividend Payment Date. The number of additional Restricted Units to be credited shall be determined by first multiplying: (a) the total number of Restricted Units standing to the Participant's credit in such account on the day immediately preceding such Dividend Payment Date (including all Dividend Equivalent Units credited to such account on all previous Dividend Payment Dates); by (b) the per share dollar amount of the dividend paid on such Dividend Payment Date; and then, (c) dividing the resulting amount by the Fair Market Value of one Share on such Dividend Payment Date. Dividend Equivalent Units awarded pursuant

to this paragraph to a Participant that holds an Award of Restricted Units shall have the same Restricted Period as the Restricted Units with respect to which such Dividend Equivalent Units have been awarded.

5.05 *Lapse of Restrictions and Payment.* Upon the expiration of the Restricted Period for any Restricted Shares or Restricted Units granted to a Participant hereunder but subject to the provisions of Section 5.06 below, the Restrictions applicable to such Restricted Shares or Restricted Units shall lapse, and payment with respect to such Restricted Shares or Restricted Units (including any related Dividend Equivalent Units) shall be made in accordance with the following provisions:

(a) In the case of Restricted Shares, payment shall be made by delivery to the Participant of a stock certificate for the number of such Restricted Shares, free and clear of all Restrictions to which such shares were subject. However, if the Restricted Shares with respect to which the applicable Restrictions have lapsed includes a fractional Share, payment for such fractional Share shall be made in cash, in an amount equal to the Fair Market Value of such fractional Share determined as of the date on which such Restrictions lapsed. Delivery of such stock certificate and any such cash payment shall be made to the Participant as soon as practicable following the lapse of the applicable Restrictions.

(b) In the case of Restricted Units (including related Dividend Equivalent Units), payment shall be made: (i) in all cases other than Restricted Units issued in connection with the MSPP, by the issuance and delivery to the Participant of a stock certificate for a number of Shares equal to the number of whole Restricted Units and related Dividend Equivalent Units with respect to which the applicable Restrictions have lapsed, and (ii) by payment in cash for any fractional Restricted Unit payable as a result of the lapse of such Restrictions, in an amount equal to the Fair Market Value of such fractional Restricted Unit determined as of the date as of which such Restrictions lapsed. In the case of Restricted Units issued pursuant to the terms of the MSPP, payment shall be made, in cash, in an amount and at the time provided for in the MSPP. Issuance of certificates for Shares shall be made in such manner and at such time or times as provided in such instrument. Unless otherwise provided by the instrument evidencing a grant of Restricted Units, payment with respect to any part or all of a Participant's Restricted Units (including related Dividend Equivalent Units) may be deferred, at the Participant's election, upon such terms and conditions as are specified by the Participant, in writing, subject to the restrictions on deferral of compensation contained in Code Section 409A.

5.06 *Termination of Service.* Except as the instrument evidencing the grant of Restricted Shares or Restricted Units may otherwise provide, upon an Eligible Person's Termination of Service for any reason prior to the expiration of the Restricted Period which is in effect for any Restricted Shares or Restricted Units (and related Dividend Equivalent Units) standing to his or her credit immediately prior to such Termination of Service, the Eligible Person's right to receive payment with respect to such Restricted Shares, Restricted Units and Dividend Equivalent Units shall be forfeited and cancelled as of the date of such Termination of Service, and no payment of any kind shall be made with respect to such Restricted Shares, Restricted Units and Dividend Equivalent Units.

Notwithstanding the foregoing, if the Committee so determines, in its discretion, the instrument evidencing the Award of such Restricted Shares or Restricted Units may provide that if the Eligible Person's Termination of Service occurs prior to the end of the Restricted Period established for such Restricted Shares or Restricted Units as a result of the Eligible Person's death, Disability or Retirement (but not for any other reason), payment will be made with respect to all or a Pro Rata Portion of such Restricted Shares or Restricted Units and any related Dividend Equivalent Units. In such case, only the Eligible Person's right to receive payment with respect to any remaining portion of the Restricted Shares or Restricted Units (and related Dividend Equivalent Units) for which such Restricted Period was established shall be cancelled and forfeited. Any payment required to be made with respect to an Eligible Person's Restricted Shares or Restricted Units (and related Dividend Equivalent Units) pursuant to this paragraph shall be made as soon as practicable after the date of such Eligible Person's Termination of Service, and shall be made in the manner specified in Section 5.05.

Notwithstanding the provisions of Section 5.03 or of the above and notwithstanding the absence of the provisions of this paragraph from provisions of any instrument containing the provisions of an Award issued prior to the effective date of this Amendment and Restatement, if an Eligible Person's Termination of Service occurs, for any reason, prior to the expiration of the Restricted Period which is in effect for an Award of Restricted Shares, the Eligible Person shall, upon such Termination of Service, be deemed to forfeit his right to all cash dividends received

with respect to the portion of the Restricted Shares previously awarded to such Eligible Person with respect to which the Restrictions have not lapsed. In connection with the forfeiture by an Eligible Person of the cash dividends received by the Eligible Person with respect to the Restricted Shares previously awarded to the Eligible Person with respect to which the Restrictions have not lapsed, the Eligible Person shall be obligated to pay to the Company, no later than thirty (30) days following such Eligible Person's Termination of Service, the amount of the dividends received by such Eligible Person which is deemed to be forfeited pursuant to the provision of the preceding sentence. In connection with the foregoing, if, pursuant to the provisions of the preceding paragraph, the Committee has provided in the instrument evidencing the Award of Restricted Shares that the Eligible Person's right to receive payment for all or a Pro Rata portion of the Restricted Shares will not be forfeited if the Eligible Person's Termination of Service occurs prior to the end of the Restricted Period established for such Restricted Shares as a result of the Eligible Person's death, Disability or Retirement (but not for any other reason), the Eligible Person will not forfeit his right to all cash dividends received with respect to the portion of Restricted Shares as to which the Restrictions have not lapsed and such Eligible Person shall be entitled to retain all or a portion of such cash dividends.

5.07 Notice of Code Section 83(b) Election. A Participant who files an election under Section 83(b) of the Code to include in gross income the Fair Market Value of any Restricted Shares granted hereunder while such Shares are still subject to Restrictions shall furnish the Company with a copy of the election so filed by the Participant, within ten days of the filing of such election with the Internal Revenue Service.

ARTICLE 6.

PERFORMANCE SHARES AND PERFORMANCE UNITS

6.01 Awards of Performance Shares and Performance Units. Subject to the limitations set forth in Article 3 and to the other terms and conditions of the Plan, Performance Shares or Performance Units may be granted to such Eligible Persons, at such times, in such amounts, and upon such terms and conditions, as the Committee may determine in its discretion. Performance Shares and Performance Units shall be granted in accordance with the provisions set forth below.

6.02 Establishment of Performance Goals and Performance Targets. In connection with each Award of Performance Shares or Performance Units, the Committee shall establish in writing, and the instrument evidencing the grant of such Award shall specify: (a) the Performance Goal or Goals and the Performance Period that will apply with respect to such Award; (b) the level or levels of achievement of the Performance Goal or Goals that must be met in order for payment to be made with respect to the Award; (c) the number of Performance Shares that will be issued and delivered to the recipient of the Award, or the percentage of the Performance Units (and any related Dividend Equivalent Units) credited to the recipient in connection with the Award as to which payment will be made, if the Performance Goal or Goals applicable to such Award: (i) have been fully achieved; (ii) have been exceeded; or (iii) have not been fully achieved but have been achieved at or beyond any minimum or intermediate level of achievement specified in the instrument evidencing the grant of such Award; and (d) such other terms and conditions pertaining to the Award as the Committee in its discretion may determine. In connection with any such Award made to any Covered Executive, the matters described in the preceding sentence shall be established within such period of time as may be permitted by the regulations issued under Section 162(m) of the Code.

6.03 Rights While Performance Shares Remain Subject to Achievement of Performance Goals. Performance Shares granted to a Participant hereunder may be issued to the Participant as of the Date of Grant as uncertificated shares or as Shares represented by a stock certificate bearing a legend or legends making appropriate reference to the restrictions on transferability of such Performance Shares as hereinafter set forth. Until the Performance Period which applies to the Performance Shares expires, the Performance Shares granted to a Participant which are not certificated shall be held in the Participant's name in a bookkeeping account maintained by the Company and Performance Shares granted to a Participant and represented by a stock certificate shall continue to bear the legend or legends making reference to the restrictions on transferability of such Performance Shares as hereinafter set forth.

Until the Performance Period which applies to an award of Performance Shares has expired, the Performance Shares shall not be sold, assigned, transferred (other than a transfer to the Participant's Beneficiary occurring by reason of the Participant's death), made subject to gift or otherwise disposed of, mortgaged, pledged or otherwise encumbered, whether voluntarily or by operation of law. A separate account shall be maintained for all Performance Shares granted to a Participant with a Performance Period ending on the same date.

Except for the restrictions on transferability which apply to Performance Shares, and subject to the forfeiture provisions applicable under Section 6.10 below, a Participant shall have, with respect to all Performance Shares so held for his account, all of the rights of a stockholder of the Company, including full voting rights with respect to such Shares and the right to receive currently with respect to the Participant's Performance Shares, all dividends and other distributions payable generally on the Company's Shares. If any dividends or distributions so payable are paid in Shares, the Shares paid as a dividend or distribution with respect to a Participant's Performance Shares shall be subject to the same Performance Goals and provisions relating to forfeiture as apply to the Performance Shares with respect to which they were paid. Such stock dividend Shares shall themselves be treated as Performance Shares, and shall be credited to the same account which the Company maintains for those Performance Shares of the Participant with respect to which such stock dividends or distributions were paid.

Notwithstanding the foregoing, if the instrument evidencing the grant of any Performance Shares to a Participant so provides, all cash dividends and distributions payable generally on the Company's Shares that are otherwise payable with respect to the Performance Shares granted to the Participant shall not be paid currently to the Participant but instead, shall be applied to the purchase of additional Shares for the Participant's account. The additional Shares so purchased shall be subject to the same Performance Goals and provisions relating to forfeiture as apply to the Performance Shares, and shall be credited to the same account which the Company maintains for those Performance Shares of the Participant with respect to which such dividends or distributions were paid. The purchase of any such additional Shares shall be made in accordance with such other procedure as may be specified in the instrument evidencing the grant of the Performance Shares on which such dividends are paid.

6.04 *Rights While Performance Units Remain Subject to Achievement of Performance Goals.* No Shares shall be issued at the time an Award of Performance Units is made. Except as provided in the following paragraph or otherwise provided in the instrument evidencing an Award of Performance Units, a Participant that is the holder of an Award of Performance Units shall not have any rights of a shareholder with respect to such Performance Units. Performance Units granted to a Participant hereunder shall be credited to a bookkeeping account maintained by the Company for the Participant. A separate account shall be maintained for all Performance Units granted to a Participant with a Performance Period ending on the same date and for all Dividend Equivalent Units that are to be credited to such account in accordance with the following paragraph.

If any dividends or other distributions payable on the Company's Shares are paid in Shares during any period that a Participant holds an Award of Performance Units, as of the applicable Dividend Payment Date, a number of additional Performance Units shall be credited to each account established for the Participant to reflect the number of Performance Units held by the Participant as of such Dividend Payment Date. The number of such additional Performance Units to be credited shall be determined by first multiplying: (a) the total number of Performance Units standing to the Participant's credit in such account on the day immediately preceding such Dividend Payment Date (including all Dividend Equivalent Units credited to such account on all previous Dividend Payment Dates); by (b) the per Share dollar amount of the dividend paid on such Dividend Payment Date; and then, (c) dividing the resulting amount by the Fair Market Value of one Share on such Dividend Payment Date. Dividend Equivalent Units awarded pursuant to this paragraph to a Participant that holds an Award of Performance Units shall have the same Performance Goals and Performance Period as the Performance Units with respect to which such Dividend Equivalent Units have been awarded.

6.05 *Performance Goals for Covered Executives.* In the case of any Award of Performance Shares or Performance Units to any Eligible Person who is a Covered Executive, the Performance Goal or Goals established in connection with such Award shall be based on one or more of the following business criteria, as determined by the Committee in its discretion: (a) the attainment of specified levels of, or increases in, the Company's after-tax or pretax return on stockholder's equity; (b) the attainment of specified levels in the fair market value of the Company's Shares; (c) the attainment of specified levels of growth in the value of an investment in the Company's

Shares, assuming that all dividends paid on the Company's Common Stock are reinvested in additional Shares; (d) the attainment of specified levels of, or increases in, the Company's pre-tax or after-tax earnings, profits, net income, or earnings per share; (e) the attainment of specified levels of, or increases in, the Company's earnings before income tax, depreciation and amortization (EBITDA); (f) attainment of specified levels of, or increases in, the Company's net sales, gross revenues or cash flow from operations; (g) the attainment of specified levels of, or increases in, the Company's working capital, or in its return on capital employed or invested; (h) the attainment of specified levels of, or decreases in, the Company's operating costs or any one or more components thereof, or in the amount of all or any specified portion of the Company's debt or other outstanding financial obligations; and (i) such other business performance criteria as may, from time to time, be established by the Committee in the instrument which contains the Award of Performance Shares or Performance Units.

Any of the business criteria described in the preceding paragraph which the Committee establishes as a Performance Goal may be measured either by the performance of the Company and its Affiliates on a consolidated basis, or by the performance of any one or more of the Company's subsidiaries, divisions, or other business units, as the Committee in its discretion may determine. In its discretion, the Committee may also establish Performance Goals, based on any of the business criteria described in this Section 6.05, that require the attainment of a specified level of performance of the Company, or any of its subsidiaries, divisions or other business units, relative to the performance of other specified corporations, in order for such Performance Goals to be met.

The Committee may also, in its discretion, include in any Performance Goal the attainment of which depends on a determination of the net earnings or income of the Company or any of its subsidiaries, divisions or other business units, provisions which require such determination to be made by eliminating the effects of any decreases in or charges to earnings for: (a) the effect of foreign currency exchange rates; (b) any acquisitions, divestitures, discontinuances of business operations, restructurings or other special charges; (c) the cumulative effect of any accounting changes; and (d) any "extraordinary items" as determined under generally accepted accounting principles, to the extent that such decreases or charges referred to in clauses (a) through (d) of this paragraph are separately disclosed in the Company's Annual Report for each fiscal year within the applicable Performance Period.

6.06 *Performance Goals for Non-Covered Executives.* In the case of Awards of Performance Shares or Performance Units made hereunder to Eligible Persons who are not Covered Executives, the Performance Goal or Goals applicable to such Awards shall be such corporate or individual goals as the Committee in its discretion may determine.

6.07 *Measurement of Performance.* At the end of the Performance Period established in connection with any Award of Performance Shares or Performance Units, the Committee shall determine the extent to which the Performance Goal or Goals established for such Award have been met, and shall determine, on that basis, the number of Performance Shares or Performance Units included in such Award that have been earned and as to which payment will be made pursuant to Section 6.09 below, subject to the adjustments provide for in Section 6.08 and the forfeiture provisions of Section 6.10. In the case of any Award granted to a Covered Executive, unless the Committee shall certify in writing the extent to which it has determined that the Performance Goal or Goals established by it for such Award have been met, the issuance of Performance Shares to the Covered Executive shall be subject to Section 162(m) of the Code.

6.08 *Adjustment of Award Amounts.* The number of Shares issuable with respect to an Award on the basis of the level of attainment of the applicable Performance Goals as determined by the Committee under Section 6.07 shall be subject to adjustment in accordance with the following provisions:

(a) To the extent not inconsistent with the terms of the Plan and if the instrument evidencing the Award so provides, the number of Shares otherwise issuable with respect to an Award to an Eligible Person who is not a Covered Executive may be increased or decreased to the extent determined by the Committee in its discretion, based on the Committee's evaluation of the Eligible Person's individual performance or to reflect such other events, circumstances or factors as the Committee in its discretion deems appropriate in determining the extent to which payment should be made with respect to the Eligible Person's Award.

(b) Notwithstanding the provisions of Section 6.08(a) above, the Committee shall not have any authority to increase the number of Shares otherwise issuable with respect to any Award of Performance Shares or Performance Units to a Covered Executive. However, if the instrument evidencing an Award to a Covered Executive so provides, the Committee may, in its discretion, reduce the number of Shares otherwise issuable with respect to such Award: (i) to reflect any decreases in or charges to earnings that were not taken into account pursuant to clause (a), (b), (c), or (d) of the last paragraph of Section 6.05 in determining net earnings or income for purposes of any Performance Goal established in connection with such Award; (ii) to reflect any credits to earnings for extraordinary items of income or gain that were taken into account in determining net earnings or income for such purposes; (iii) to reflect the Committee's evaluation of the Covered Executive's individual performance; or (iv) to reflect any other events, circumstances or factors which the Committee believes to be appropriate in determining the extent to which payment should be made with respect to the Covered Executive's Award.

6.09 Payment of Awards. Payment with respect to that number of Performance Shares or Performance Units subject to any Award which the Committee has determined under Section 6.07 above to have been earned, as adjusted to the extent determined by the Committee under Section 6.08, shall be made in accordance with the following provisions:

(a) In the case of any such Performance Shares, payment shall be made by the issuance and delivery to the Participant of a stock certificate for the requisite number of such Shares free of the legends making reference to restrictions on transferability of the Performance Shares provided for by this Plan. However, if the Performance Shares with respect to which payment is to be made include a fractional Share, payment of such fractional Share shall be made in cash, in an amount equal to the Fair Market Value of such fractional Share determined as of the end of the Performance Period. Such Shares shall be issued and delivered, and, if applicable, such cash payment shall be made, to the Participant as soon as practicable after the end of the Performance Period applicable to the Award in question.

(b) In the case of Performance Units, (including related Dividend Equivalent Units), payment shall be made: (i) by the issuance and delivery to the Participant of a stock certificate for a number of Shares equal to the total number of such whole Performance Units and related Dividend Equivalent Units; and (ii) by payment in cash for any fractional Unit in an amount equal to the Fair Market Value of such fractional Unit determined as of the day immediately preceding the date as of which payment is to be made. Notwithstanding the foregoing, payment for such Performance Units (including related Dividend Equivalent Units) may be made wholly or partly in cash, in an amount equal to the Fair Market Value of all of the Units and any fractional Unit as to which a cash payment is to be made, if the instrument evidencing the grant of such Performance Units so provides. Payment shall be made in such manner and at such time or times as provided in such instrument. Unless otherwise provided by the instrument evidencing the grant of Performance Units, payment with respect to any part or all of a Participant's Performance Units (including any related Dividend Equivalent Units) may be deferred, at the Participant's election, upon such terms and conditions as are specified by the Participant, in writing, subject to the restrictions on deferral of compensation contained in Code Section 409A.

6.10 Termination of Service. Except as the instrument evidencing the grant of Performance Shares or Performance Units may otherwise provide, upon an Eligible Person's Termination of Service for any reason prior to the end of the Performance Period established for any Award of Performance Shares or Performance Units, such Award shall be cancelled, all Performance Shares or Performance Units included in such Award, and all Dividend Equivalent Units that were credited with respect to such Performance Shares or Performance Units, shall be forfeited, and no payment of any kind shall be made with respect to such Award.

Notwithstanding the foregoing, if the Committee so determines, in its discretion, the instrument evidencing any such Award may provide that if the Eligible Person's Termination of Service occurs prior to the end of the Performance Period established for such Award as a result of the Eligible Person's death, Disability or Retirement (but not for any other reason), payment will be made at the end of the Performance Period, in accordance with the provisions of Section 6.09, with respect to all or a Pro Rata Portion of the number of Shares and/or the amount of cash that otherwise would have been payable to the Eligible Person, as determined in accordance with the provisions of Sections 6.07 and 6.08, if the Eligible Person's Termination of Service had not occurred prior to the end of such

Performance Period. In such case, only the Eligible Person's right to receive payment with respect to any remaining portion of the Performance Shares or Performance Units (and related Dividend Equivalent Units) included in such Award shall be cancelled and forfeited.

Notwithstanding the provisions of Section 6.03 above and notwithstanding the absence of the provisions of this paragraph from provisions of any instrument containing the provisions of an Award issued prior to the effective date of this Amendment and Restatement, if an Eligible Person's Termination of Service occurs, for any reason, prior to the expiration of the Performance Period which is in effect for an Award of Performance Shares, the Eligible Person shall, upon such Termination of Service, be deemed to forfeit his right to all cash dividends received with respect to the portion of the Performance Shares previously awarded to such Eligible Person with respect to which the Restrictions have not lapsed. In connection with the forfeiture by an Eligible Person of the cash dividends received by the Eligible Person with respect to the Performance Shares previously awarded to the Eligible Person with respect to which the Restrictions have not lapsed, the Eligible Person shall be obligated to pay to the Company, no later than thirty (30) days following such Eligible Person's Termination of Service, the amount of the dividends received by such Eligible Person which is deemed to be forfeited pursuant to the provision of the preceding sentence. In connection with the foregoing, if, pursuant to the provisions of the preceding paragraph, the Committee has provided in the instrument evidencing the Award of Performance Shares that the Eligible Person shall have the right to receive payment for Performance Shares awarded to the Eligible Person if the Eligible Person's Termination of Service occurs prior to the end of the Performance Period established for such Performance Shares as a result of the Eligible Person's death, Disability or Retirement (but not for any other reason), the Eligible Person will not forfeit his right to all cash dividends received with respect to the portion of Performance Shares as to which the Restrictions have not lapsed and that such Eligible Person shall be entitled to retain all or a portion of such cash dividends.

6.11 Notice of Code Section 83(b) Election. A Participant who files an election under Section 83(b) of the Code to include in gross income the Fair Market Value of any Performance Shares granted hereunder while such Shares are still subject to achievement of Performance Goals shall furnish the Company with a copy of the election so filed by the Participant within ten (10) days of the filing of such election with the Internal Revenue Service.

ARTICLE 7.

RIGHTS

7.01 Awards of Rights. (a) Subject to the limitations set forth in Article 3 above and to the other terms and conditions of the Plan, Rights may be granted under the Plan to any Eligible Person at such times and upon such terms and conditions as the Committee, in its discretion may determine. Rights shall be granted in accordance with the provisions of this Article 7.

(b) The terms of the instrument which contains the terms of an Award of Rights shall specify the number of Shares which shall be used as the basis for determining the value of the Rights at the end of the Appreciation Period and the Base Price in effect for those Shares.

(c) Rights shall be exercisable at such time and upon such terms as may be established by the Committee in the instrument setting forth the terms of the Award; provided that, in no event shall the period of time that an Award of Rights is exercisable extend beyond the ten (10) year period beginning on the Date of Grant.

(d) Rights shall be subject to the same transferability restrictions applicable to all Awards and may not be transferred during the holder's lifetime, except to one or more family members as provided in Section 8.02.

(e) The holder of a Right shall not have any stockholder rights with respect to the Shares used to determine the value of the Right.

7.02 Dividend Equivalent Units. If any dividends or other distributions payable on the Company's Shares are paid in Shares during any period that a Participant holds an Award of Rights, as of the applicable Dividend Payment Date, a number of additional Rights shall be credited to any account established for the Participant to reflect the number of Rights held by the Participant as of such Dividend Payment Date. The number of such additional Rights to be credited shall be determined by first multiplying: (a) the total number of Rights standing to the Participant's credit in such account on the day immediately preceding such Dividend Payment Date (including all Dividend Equivalent

Units credited to such account on all previous Dividend Payment Dates); by (b) the per share dollar amount of the dividend paid on such Dividend Payment Date; and then (c) dividing the resulting amount by the Fair Market Value of one Share on such Dividend Payment Date. Additional Rights awarded pursuant to this Section to a Participant that holds an Award of Rights shall be exercisable at the same time and upon the same terms as the Rights with respect to which such additional Rights are to be issued; provided that, the Base Price of such rights shall be equal to the Fair Market Value of a Share, determined as of the applicable Dividend Payment Date.

7.03 Termination of Service. Except as the instrument evidencing the grant of an Award of Rights may otherwise provide, upon an Eligible Person's Termination of Service for any reason prior to the expiration of the Appreciation Period which is in effect for any Right (and related Dividend Equivalent Units) standing to his or her credit immediately prior to such Termination of Service, the Eligible Person's right to exercise such Right shall be forfeited and cancelled as of the date of such Termination of Service, and no payment of any kind shall be made with respect to such Right and related Dividend Equivalent Units.

Notwithstanding the foregoing, if the Committee so determines, in its discretion, the instrument evidencing the Award of such Right may provide that if the Eligible Person's Termination of Service occurs prior to the end of the Appreciation Period established for such Right as a result of the Eligible Person's death, Disability or Retirement (but not for any other reason), payment will be made with respect to all or a Pro Rata Portion of such Right and any related Dividend Equivalent Units. In such case, only the Eligible Person's right to receive payment with respect to any remaining portion of the Right (and related Dividend Equivalent Units) for which such Appreciation Period was established shall be cancelled and forfeited. Any payment required to be made with respect to an Eligible Person's Right (and related Dividend Equivalent Units) pursuant to this paragraph shall be made as soon as practicable after the date of such person's Termination of Service, and shall be made in the manner specified in Section 7.04.

7.04 Payment of Awards. In the case of Rights, (including related Dividend Equivalent Units), payment shall be made: (a) by the issuance and delivery to the Participant of a stock certificate for a number of Shares having a Fair Market Value on the date the Rights are exercised equal to: (i) the aggregate Fair Market Value of the Shares used as the basis for determining the value of the Rights being exercised, determined as of the date the Rights are exercised; minus (ii) the aggregate Base Price in effect for the Rights being exercised; and (b) by payment in cash for any fractional Shares which would be issued using the formula contained in (a) above. Issuance of certificates for Shares shall be made in such manner and at such time or times as provided in such instrument. Unless otherwise provided by the instrument evidencing the grant of Rights, issuance of certificates for Shares with respect to any part or all of a Participant's Rights (including any related Dividend Equivalent Units) may be deferred, at the Participant's election, upon such terms and conditions as are specified by the Participant, in writing, subject to the restrictions on deferral of compensation contained in Code Section 409A.

ARTICLE 8.

TRANSFERABILITY OF AWARDS

8.01 Restrictions on Transfers. Except as otherwise provided by Section 8.02 below: (a) any Option granted to an Eligible Person under the Plan shall be nontransferable and may be exercised during the Eligible Person's lifetime only by the Eligible Person; (b) any Restricted Shares, Restricted Units, Performance Shares, Performance Units and Rights granted to an Eligible Person under the Plan shall not be transferrable by the Eligible Person during his or her lifetime; and (c) a Participant's right to receive payment of Shares or cash with respect to any Award granted to the Participant under the Plan shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, in encumbrance, attachment, or garnishment by creditors of the Participant.

8.02 Permitted Transfers. Notwithstanding the provisions of Section 8.01 above, if the instrument evidencing the grant of any Award other than an Incentive Stock Option so provides, the recipient of such Award may transfer his or her rights with respect to such Award, or any portion thereof, to any "family member" of the recipient, as that term is defined in the General Instructions to Form S-8 promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended, subject to such limitations, terms and conditions as may be specified in such instrument.

ARTICLE 9.

EFFECTS OF CHANGE IN CONTROL

9.01 *Change in Control*. Notwithstanding any other provision in the Plan to the contrary, except as otherwise provided in the Merger Sale Agreement entered into by the Company in connection with a Change in Control, upon the occurrence of a Change in Control, the following provisions shall apply:

(a) Each Option outstanding on the day immediately preceding the date on which the Change in Control occurs shall be converted to a right to receive an Option Cash Out Payment. Payment of the Option Cash Out Payment shall be made to the holder of the Option in one lump sum payment, less applicable withholding taxes, on the date on which the Change in Control occurs.

(b) Each Right outstanding on the day immediately preceding the date on which the Change in Control occurs shall be converted to a right to receive the Right Cash Out Payment. Payment of the Right Cash Out Payment shall be made to the holder of the Right in one lump sum payment, less applicable withholding taxes, on the date on which the Change in Control occurs.

(c) The Restricted Periods applicable to all Restricted Shares and Restricted Units (including any related Dividend Equivalent Units) granted to a Participant hereunder that are still outstanding on the day immediately preceding the date on which such Change in Control occurs shall expire on such date; all Restrictions applicable to such outstanding Restricted Shares, Restricted Units and related Dividend Equivalent Units shall lapse on such date; and the Participant's rights to receive delivery or payment with respect to all such outstanding Restricted Shares, Restricted Units and related Dividend Equivalent Units shall become nonforfeitable as of such date. Payment with respect to such outstanding Restricted Shares, Restricted Units and related Dividend Equivalent Units shall be made on the date the Change in Control occurs. Unless the Committee determines that payment with respect to Restricted Shares and Restricted Units is to be made in the form of a cash payment instead of the issuance and delivery of Shares, the Company shall take whatever steps are necessary to cause all such Restricted Shares and Shares attributable to Restricted Units to be issued to the applicable Participants, and to be treated as outstanding, as of the date the Change in Control occurs.

(d) The Performance Periods applicable to all Performance Shares and Performance Units (including any related Dividend Equivalent Units) granted to a Participant hereunder that are still outstanding on the day immediately preceding the date on which such Change in Control occurs shall end on such date; all Performance Goals that were established in connection with the Award of such Performance Shares or Performance Units shall be deemed to have been satisfied in full as of such date; the number of Performance Shares or the percentage of the Performance Units as to which payment is to be made in the event the Performance Goal or Goals applicable to the Award of such Shares or Units are met at the targeted level of performance, as specified in the instrument evidencing the grant of such Award, shall be deemed to be earned in full as of such date; and the Participant shall acquire on such date a nonforfeitable right to receive payment with respect to such number of Performance Shares (including any cash payment for dividends payable thereon, if the instrument evidencing the grant of such shares provides for such cash payment), or with respect to such percentage of the Performance Units (and any related Dividend Equivalent Units), determined without any adjustment under Section 6.09(a) or (b). Payment with respect to such Performance Shares, Performance Units and related Dividend Equivalent Units shall be made on the date the Change in Control occurs. Unless the Committee determines that payment with respect to such Performance Shares and Performance Units is to be made in the form of a cash payment instead of by the issuance and delivery of Shares, the Company shall take whatever steps are necessary to cause all such Performance Shares and Shares attributable to Performance Units to be issued to the applicable Participants, and to be treated as outstanding, as of the date the Change in Control occurs.

9.02 *Substitution of New Awards*. Notwithstanding the provisions of Section 9.01, if provided for by a Merger Sale Agreement entered into in connection with a Change in Control, the rights of Participants under any Awards outstanding on the day immediately preceding the Change in Control shall be honored or assumed or new rights issued therefor by the entity which survives the Change in Control (each such honored, assumed or substituted

option being hereinafter an “Alternative Award”); provided that, any such Alternative Award satisfies the following criteria:

(a) the Alternative Award must be based on stock which is traded on an established securities market, or which will be so traded within thirty (30) days of the Change in Control;

(b) the Alternative Award must provide the Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award, including, but not limited to, an identical or better exercise schedule; and

(c) the Alternative Award must have economic value substantially equivalent to the value of such Award (determined at the time of the Change in Control).

ARTICLE 10.

COMPLIANCE WITH CODE SECTION 409A

10.01 In General. This Article 10 is intended to comply with final regulations promulgated under Code Section 409A. It is effective January 1, 2009 and shall govern notwithstanding any contrary provision elsewhere in the Plan or in any instrument pursuant to which an Award is granted under the Plan (an “Award Instrument”).

10.02 409A Excluded Stock Rights. All Non-Qualified Stock Options and Rights awarded under the Plan are intended not to provide for the deferral of compensation, in accordance with Treas. Reg. § 1.409A-1(b)(5)(i)(A) and (B) (said Awards are hereinafter referred to as “409A Excluded Stock Rights”), except where an Award Instrument states explicitly that the Award is intended to provide for a deferral of compensation (such Award is hereinafter referred to as a “409A Non-Excluded Stock Right”). Accordingly, the Plan shall be construed, and may be amended, in such manner as will ensure that 409A Excluded Stock Rights remain excluded from the application of Code Section 409A. Without limiting the generality of the foregoing:

(a) no 409A Excluded Stock Right shall be awarded with an exercise price that is less than the Fair Market Value of the Common Stock on the Date of Grant where Fair Market Value is determined in a manner permitted under Treas. Reg. § 1.409A-1(b)(5)(iv);

(b) no 409A Excluded Stock Right shall be modified, extended or exchanged for a new Award if such modification, extension or exchange would cause the 409A Excluded Stock Right to become (or be replaced by) a 409A Non-Excluded Stock Right or other Award that is subject to Code Section 409A;

(c) a 409A Excluded Stock Right shall expire no later than its original expiration date and, if a Excluded Stock Right would expire after its original expiration date, because the Participant has died or otherwise become unable to exercise the Stock Right due to a mental or physical disability, the Stock Right shall be deemed exercised by the owner thereof on the day preceding its original expiration date if the then Fair Market Value of the Common Stock exceeds the exercise price;

(d) any extension of a 409A Excluded Stock Right, whether pursuant to a provision of the Plan or an exercise of Committee discretion, shall not extend the term of the Award beyond the earlier of (i) the original expiration date stated in the Award Instrument, or (ii) the tenth anniversary of the Award;

(e) no 409A Excluded Stock Right shall permit the deferral of compensation beyond the date of exercise;

(f) no dividends shall be paid or credited on a 409A Excluded Stock Right that would have the effect of reducing the exercise price of the 409A Excluded Stock Right below Fair Market Value of the Common Stock on the Date of Grant in violation of Code Section 409A and the Treas. Reg. § 1.409A-1(b)(5)(i)(E); and

(g) any Common Stock, cash or other consideration to be transferred to the Participant in connection with the exercise of the 409A Excluded Stock Right shall be transferred as soon as practicable and in all events within 30 days following the exercise date and the Participant shall have no right to determine the calendar year in which such transfer occurs.

10.03 409A Non-Excluded Stock Rights. If an Award Instrument states explicitly that the Non-Qualified Stock Option or the Right granted thereunder is intended to provide for a deferral of compensation in accordance with Treas. Reg. § 1.409A-1(b)(5)(i)(C) (such Award is hereinafter referred to as “409A Non-Excluded Stock Right”), the Award Instrument shall be deemed to incorporate the terms and conditions necessary to avoid inclusion of the Award in the Participant’s gross income pursuant to Section 409A(a)(1) of the Code and the Plan and Award Instrument shall be interpreted in accordance with Section 409A of the Code and the regulations and other interpretive guidance issued thereunder so as to avoid the inclusion of the Award in gross income pursuant to Section 409A(a)(1) of the Code. Without limiting the generality of the foregoing:

(a) the Award Instrument shall specify that the 409A Non-Excluded Stock Right will expire on the last day of the calendar year in which the 409A Non-Excluded Stock Right becomes exercisable, and that any Common Stock, cash or other consideration to be transferred to the Participant in connection with the exercise of the 409A Non-Excluded Stock Right shall be transferred to the Participant on or before March 15 of the calendar year following the calendar year in which the 409A Non-Excluded Stock Right becomes exercisable;

(b) the date on which the 409A Non-Excluded Stock Right becomes exercisable may not be accelerated except as may be permitted under Treas. Reg. § 1.409A-3(j); and

(c) in the case of a 409A Non-Excluded Stock Right that becomes exercisable as a result of the separation from service of a Participant who is a “specified employee” within the meaning of Treas. Reg. § 1.409A-1(i) as applied by the Company, no Common Stock, cash or other consideration shall be transferred to the Participant in connection with the exercise of the 409A Non-Excluded Stock Right until the day following the 6-month anniversary of the Participant’s separation from service.

10.04 409A Excluded Current Property Transfers. Restricted Shares and Performance Shares (“Current Property Transfers”) awarded under the Plan are intended not to provide for the deferral of compensation, in accordance with Treas. Reg. § 1.409A-1(b)(6) (said Awards are hereinafter referred to as “409A Excluded Current Property Transfers”), unless the Award Instrument states explicitly that the Award is intended to provide for a deferral of compensation (such an Award is hereinafter referred to as “409A Non-excluded Current Property Transfer”). Accordingly, the Plan shall be construed, and may be amended, to ensure that 409A Excluded Current Property Transfers remain excluded from the application of Code Section 409A. Without limiting the generality of the foregoing, no Award Instrument shall provide for or permit the deferral of compensation resulting from a 409A Excluded Current Property Transfer beyond the date on which the 409A Excluded Current Property Transfer would otherwise become includable in gross income in accordance with the rules of Code Section 83 (or would have become includable but for the exercise of an election under Code Section 83(b)).

10.05 409A Non-Excluded Current Property Transfers. If, under the terms of an Award Instrument, a Current Property Transfer would be deemed to be a deferral of compensation under Section 409A of the Code (such Award is hereinafter referred to as “409A Non-Excluded Current Property Transfer”), the Award Instrument shall be deemed to incorporate the terms and conditions necessary to avoid inclusion of the Award in the Participant’s gross income pursuant to Section 409A(a)(1) of the Code and the Plan and Award Instrument shall be interpreted in accordance with Section 409A of the Code and the regulations and other interpretive guidance issued thereunder so as to avoid the inclusion of the Award in gross income pursuant to Section 409A(a)(1) of the Code. Without limiting the generality of the foregoing:

(a) the Award Instrument shall specify one or more dates or events permitted under Code Section 409A(a)(2)(A) at which time the Award will be settled in cash or vested property;

(b) the Award Instrument shall specify the manner in which the Award will be paid (e.g., lump sum or installments) and the dates on or periods within which payment will occur;

(c) the date of settlement of the Award shall not be accelerated except as otherwise permitted under Treas. Reg. § 1.409A-3(j); and

(d) in the case of a 409A Non-excluded Current Property Transfer that becomes payable as a result of the separation from service of a Participant who is a “specified employee” within the meaning of Treas. Reg. § 1.409A-1(i) as applied by the Company, no cash or property shall be paid to the Participant in connection

with the settlement of the Award until the day following the 6-month anniversary of the Participant's separation from service.

10.06 *409A Excluded Future Property Transfers.* Any Awards permitted under the Plan other than those referred to in Sections 10.02, 10.03, 10.04 and 10.05 including, but not limited to, Restricted Units and Performance Units ("Future Property Transfers"), are intended not to provide for the deferral of compensation, in accordance with the short-term deferral rule set forth in Treas. Reg. § 1.409A-1(b)(4) (said Awards are hereinafter referred to as "409A Excluded Future Property Transfers") unless the terms of the Award Instrument, the Future Property Transfer would be deemed to result in a deferral of compensation under Section 409A of the Code (such an Award is hereinafter referred to as a "409A Non-excluded Future Property Transfer"). Accordingly, the Plan shall be construed, and may be amended, to ensure that 409A Excluded Future Property Transfers remain excluded from the application of Code Section 409A. Without limiting the generality of the foregoing, the Award Instrument shall provide (or shall be construed to provide) that a 409A Excluded Future Property Transfer must be settled in cash or vested property on or before March 15 of the calendar year following the calendar year in which the 409A Excluded Future Property Transfer ceased to be subject to a substantial risk of forfeiture within the meaning of Treas. Reg. § 1.409A-1(b)(4).

10.07 *409A Non-excluded Future Property Transfers.* If, under the terms of an Award Instrument, a Future Property Transfer would be deemed to result in a deferral of compensation in accordance with Treas. Reg. § 1.409A-1(b)(4) ("409A Non-excluded Future Property Transfer"), the Award Instrument shall be deemed to incorporate the terms and conditions necessary to avoid inclusion of the Award in the Participant's gross income pursuant to Section 409A(a)(1) of the Code and the Plan and Award Instrument shall be interpreted in accordance with Section 409A of the Code and the regulations and other interpretive guidance issued thereunder so as to avoid the inclusion of the Award in gross income pursuant to Section 409A(a)(1) of the Code. Without limiting the generality of the foregoing:

(a) the Award Instrument shall specify one or more dates or events permitted under Code Section 409A(a)(2)(A) at which time the Award will be settled in cash or vested property;

(b) the Award Instrument shall specify the manner in which the Award will be paid (e.g., lump sum or installments) and the dates on or periods within which payment will occur;

(c) the date of settlement of the Award shall not be accelerated except as otherwise permitted under Treas. Reg. § 1.409A-3(j); and

(d) in the case of a 409A Non-excluded Future Property Transfer that becomes payable as a result of the separation from service of a Participant who is a "specified employee" within the meaning of Treas. Reg. § 1.409A-1(i) as applied by the Company, no cash or property shall be paid to the Participant in connection with the settlement of the Award until the day following the 6-month anniversary of the Participant's separation from service.

10.08 *Authority To Amend Plan And/Or Award Instrument.* Notwithstanding any provision of the Plan to the contrary, in the event that the Committee determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the date of this Plan amendment), the Committee may adopt such amendments to the Plan and/or the applicable Award Instrument as the Committee determines are necessary or appropriate to (1) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (2) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance.

10.09 *Protection of the Committee and Others.* Notwithstanding the foregoing provisions of this Article 10, neither the Company, nor any officer, employee, director or agent of the Company or any affiliate of the Company, nor any member of the Committee, shall have any liability to any Participant on account of an Award hereunder being taxable under Code Section 409A regardless of whether such person could have taken action to prevent such result and failed to do so. To the extent permitted by law, the Company shall indemnify and defend any officer, employee, director or agent of the Company or of any affiliate of the Company, and any member of the Committee,

from any claim based on an Award becoming taxable under Code Section 409A resulting from such person's action taken, or action failed to be taken, in connection with the Plan or any Award Instrument.

ARTICLE 11.

ADMINISTRATION

11.01 Administration of the Plan. (a) Except as otherwise specifically provided in the Plan, the Plan shall be administered by: (i) the Board of Directors, with respect to all matters pertaining to Awards that may be granted or that have been granted hereunder to any Director that is an Eligible Person; (ii) by the Compensation Committee, with respect to all matters pertaining to Awards that may be made or that have been made to Employees, except as otherwise provided in (iii); and (iii) by the Compensation Administration Committee, with respect to those specific matters pertaining to Awards to Employees who are not Executive Officers that are within the scope of the authority granted to the Compensation Administration Committee under Section 11.04 below or delegated by the Compensation Committee to the Compensation Administration Committee pursuant to Section 11.05 below.

(b) No Covered Individual shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under the Plan. The Company shall, to the maximum extent permitted by applicable law and the Certificate of Incorporation and By-laws of the Company, indemnify and hold each Covered Individual harmless from and against any loss, cost or expense (including reasonable attorney fees) or liability (including any amount paid in settlement of a claim with the approval of the Company) arising out of any act or omission to act in connection with the Plan or any Award granted pursuant to the Plan. Such indemnification shall be in addition to any rights of indemnification such individuals may have under applicable law or under the Certificate of Incorporation and By-laws of the Company.

11.02 The Committee's Power and Authority. In addition to the responsibilities and powers assigned to the Committee elsewhere in the Plan, the Committee shall have the authority, in its discretion, to establish, from time to time, guidelines or regulations for the administration of the Plan, to interpret the Plan, and to make all determinations it considers necessary or advisable for the administration of the Plan. All decisions, actions or interpretations of the Committee under the Plan shall be final, conclusive and binding upon all parties.

The Committee may designate Employees of the Company and professional advisors to assist the Committee in its administration of the Plan and may grant authority to Employees of the Company to execute agreements or other documents on behalf of the Committee in connection with the administration of the Plan. The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any advice and any computation received from any such counsel, consultant or agent. The Company shall pay all expenses and costs incurred by the Committee for the engagement of any such counsel, consultant or agent.

11.03 Modification of Awards. (a) To the extent not inconsistent with the terms of the Plan or any provision of applicable law (including, but limited to Code Section 409A), the Committee, in its discretion, may waive or modify any of the terms and conditions set forth in the instrument evidencing the grant of any Award made to a Participant hereunder, including without limitation: (i) in the case of any Option, to permit such Option to become exercisable as to any portion of the Shares subject to the Option at any time earlier than the time specified in such instrument, to extend the term of such Option beyond the date specified in such instrument as the expiration date for the term of the Option (but not beyond the day immediately preceding the tenth anniversary of the Date of Grant of the Option), or to permit such Option, to the extent it has become or becomes exercisable, to remain exercisable for any period of time (including any period after the Eligible Person's Termination of Service for any reason) beyond the period of time specified in such instrument but not beyond the date of expiration of the Option, including any extension thereof permitted under this clause (a); (ii) in the case of any Award of Restricted Shares or Restricted Units, to cause the Restricted Period applicable to such Restricted Shares or Restricted Units (including any related Dividend Equivalent Units) to expire, and the Restrictions applicable to such Restricted Shares or Restricted Units to lapse, as of any date earlier than the date provided for in such instrument; (iii) in the case of any Award of Performance Shares or Performance Units (including any related Dividend Equivalent Units), to cause the Performance Period applicable to such Performance Shares or Performance Units to expire and to treat the

Performance Goal or Goals established with respect to such Performance Shares or Performance Units as having been met, in full or in part; and (iv) in the case of any Award of Rights (including any related Dividend Equivalent Units), to cause the Appreciation Period applicable to such Rights to expire as of any date earlier than the date provided for in such instrument.

(b) Notwithstanding the foregoing, no waiver or amendment may be authorized or directed by the Committee pursuant to this Section 11.03 without the consent of the Participant if: (i) it would adversely affect, to any material extent, any of the rights or obligations of the Participant with respect to such Award; or (ii) in the case of any Option granted hereunder that was intended to constitute an Incentive Stock Option, if such waiver or amendment would cause such Option to fail to be treated as an “incentive stock option” within the meaning of Section 422 of the Code. In addition, no such waiver or amendment may be authorized or directed by the Committee pursuant to this Section 11.03 with respect to any Option, Restricted Shares or Restricted Units, Performance Shares or Performance Units or Rights awarded to any Covered Executive, if such waiver or amendment would cause the delivery of Shares or the payment of any cash amounts that are made with respect to such Award to fail to be deductible for federal income tax purposes pursuant to the applicable provisions of Section 162(m) of the Code and the regulations issued thereunder.

11.04 *Power and Authority of the Compensation Administration Committee.* With respect to such number of Shares as the Compensation Committee may in its discretion determine to be available from time to time for the grant of Awards in any form to Employees who are not Executive Officers, the Compensation Administration Committee shall have the authority: (a) to determine which of such Employees shall receive Awards in each form; (b) to determine the time or times when Awards in such form shall be made to such Eligible Employees; (c) to determine the number of Shares that will be subject to any Option, or the number of Restricted Shares, Restricted Units, Performance Shares, Performance Units or Rights, to be included in any Award to any such Employee; (d) with respect to any Award of Performance Shares or Performance Units made to any such Employees, to make all determinations which the Committee is authorized to make with respect to such Award under the provisions of Section 6.02, Section 6.07 and Section 6.09(a); and (e) with respect to any Awards made to any such Employees pursuant to the Compensation Administration Committee’s exercise of the authority granted to it under this Section 11.04, to exercise all of the authority and powers granted to the Committee under Section 11.02 above and under the second paragraph of Section 11.05 below, but only to the extent that any such exercise by the Compensation Administration Committee is not inconsistent with any action taken by the Compensation Committee, or with any determination, decision or interpretation of the Plan made by the Compensation Committee, under Section 11.02 above or any delegation made by the Compensation Committee under the second paragraph of Section 11.05 below.

Except for the matters specified in the foregoing paragraph and any additional matters pertaining to Awards to Employees who are not Executive Officers with respect to which authority has been granted to the Compensation Administration Committee pursuant to this Section 11.04, the Compensation Administration Committee shall not have any of the authority or powers otherwise granted to the Compensation Committee under any other provisions of the Plan.

The Compensation Committee in its discretion may at any time, by resolution duly adopted by it and without any amendment of the Plan, revoke or modify in any manner or respect the authority and powers granted to the Compensation Administration Committee under this Section 11.04.

11.05 *Delegation.* In addition to the authority and powers granted to the Compensation Administration Committee under Section 11.04 above, the Compensation Committee in its discretion may, by resolution duly adopted by it, delegate to the Compensation Administration Committee authority with respect to such other matters pertaining to Awards to Employees who are not Executive Officers as the Compensation Committee may specify in such resolution. Any authority so delegated to the Compensation Administration Committee may be revoked or modified by the Compensation Committee, in whole or in part, at any time.

The Committee may delegate any ministerial or nondiscretionary function pertaining to the administration of the Plan to any one or more officers or other employees of the Company or any of its Affiliates.

11.06 Non-U.S. Participants. In order to comply with any applicable provisions of local law and regulations in any foreign country in which the Company or any of its Affiliates operates, the Committee may in its sole discretion: (a) modify the terms and conditions of Awards granted under the Plan to Eligible Persons located in such foreign country; (b) establish subplans with such modifications to the terms of the Plan as it determines to be necessary or appropriate under the circumstances applicable in such foreign country; or (c) take any other action that it deems necessary or appropriate in order to comply with, or obtain any exemptions from the applicability of, the local laws and regulations in such foreign country.

11.07 Designation and Change of Beneficiary. Each Participant shall file with the Committee, or with such Employee of the Company who has been designated by the Committee to receive same, a written designation of one or more persons as the Beneficiary who shall be entitled to receive any Shares or cash amount payable with respect to any Award upon or after the Participant's death. A Participant may, from time to time, revoke or change his or her Beneficiary designation without the consent of any previously designated Beneficiary by filing a new designation with the Committee or its designee. The last such designation received by the Committee or its designee shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt. If at the date of a Participant's death, there is no designation of a Beneficiary in effect for the Participant pursuant to the provisions of this Section 11.07, or if no Beneficiary designated by the Participant in accordance with the provisions hereof survives to receive any Shares or cash amount payable under the Plan with respect to the Participant after his or death, the Participant's estate shall be treated as the Participant's Beneficiary for purposes of the Plan.

11.08 Taxes. Notwithstanding any other provision of the Plan, the Company and each of its Affiliates may make such provisions and take such steps as it may deem necessary or appropriate for the withholding of all federal, state and local taxes required by law to be withheld with respect to the exercise of any Option or with respect any payments to be made in respect of any other form of Award granted to a Participant under the Plan, including but not limited to: (a) deducting the amount of taxes so required to be withheld from any other compensation or other amounts then or thereafter payable to the Participant, and/or (b) withholding delivery of any Shares or payment of any cash amount otherwise required to be delivered or paid to the Participant with respect to the exercise of such Option, or with respect to such other form of Award, until the amount of taxes so required to be withheld has been paid in full to the Company or any of its Affiliated Companies. With the approval of the Compensation Committee and subject to such terms and conditions as it may require, such amount may be paid in Shares previously owned by the Participant, or by the surrender of a portion of the Shares that otherwise would be delivered or paid to such Participant with respect to his or her Award, or by a combination of payments in cash and Shares.

11.09 Amendment or Termination. The Board of Directors may, with prospective or retroactive effect, amend, suspend or terminate the Plan or any portion thereof at any time; provided, however, that: (a) no amendment, suspension or termination of the Plan shall, without the Participant's written consent, adversely affect the rights of any Participant with respect to any Awards previously granted to the Participant; and (b) no amendment which constitutes a "material revision" of the Plan, as the term material revision is defined in the applicable NASDAQ rules, shall be effective unless approved by the stockholders of the Company in the manner required by such rules and by applicable law.

11.10 Participant Rights Unsecured. A Participant shall have the status of a general unsecured creditor of the Company with respect to his or her right to receive any cash payment provided for by the instrument containing the terms of any Award made pursuant to the Plan. The Plan and the instrument containing the terms of any Award providing for the payment of cash shall constitute a mere promise by the Company to make payments in the future of the benefits provided for therein. It is intended that the arrangements reflected in the Plan be treated as unfunded for tax purposes, as well as for purposes of any applicable provisions of Title I of ERISA.

11.11 Terms of Employment Not Affected. Neither the Plan nor any Award granted to a Participant hereunder or any other action taken in connection with the Plan shall be construed as giving any Participant any right to be retained in the employment of the Company or any of its Affiliates. In addition, the Plan, any Award granted to a Participant hereunder and any other action taken by the Committee pursuant to the Plan shall not be deemed or construed to interfere with the right of the Company or any of its Affiliates to terminate a Participant's

Table of Contents

employment or service at any time subject, however, to the Participant's rights under any employment contract in effect between the Participant and the Company or any of its Affiliates.

No Award made to a Participant under the Plan, and no payment made with respect to such Award, shall be considered as compensation or wages payable to the Participant for purposes of determining the amount of contributions or benefits the Participant may be entitled to receive under any employee benefit plan of the Company or any of its Affiliates, except as specifically provided in such plan or as otherwise determined by the Board of Directors.

11.12 Successors. The obligations of the Company under the Plan shall be binding upon any successor Company or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor Company or organization succeeding to substantially all of the assets and business of the Company. The Company agrees that it will make appropriate provision for the preservation of Participants' rights under the Plan in any agreement or plan which it may enter into or adopt to effect any such merger, consolidation, reorganization or transfer of assets.

11.13 Binding Effect. The provisions of the Plan and the terms and conditions contained in the instrument evidencing any Award made to a Participant hereunder shall be binding upon the Participant, his or her successors and permitted transferees.

11.14 Governing Law. The Plan shall be governed by and construed in accordance with the laws of the State of New York without reference to its conflicts of law principles.

11.15 Effective Date. The initial adoption of the Plan was approved by the Board of Directors on November 30, 2004, and by the stockholders of the Company on May 19, 2005. This amendment and restatement was approved by the Board of Directors on February 25, 2009 and, subject to approval by the stockholders of the Company at the annual meeting of the Company's stockholders to be held May 18, 2009 and, upon execution by an authorized officer of the Company, shall be effective as of May 18, 2009, and shall supercede the provisions of the Plan as in effect immediately prior to such date. In the event that the terms of this amendment and restatement are not approved by the stockholders of the Company, this amendment and restatement shall not become effective and the terms of Plan shall be governed by the Second Amendment and Restatement of the Plan which was effective as of December 31, 2008.

IN WITNESS WHEREOF, Gibraltar Industries, Inc. has caused this Plan to be executed as of the day of May, 2009.
