**Explanation of Responses:**

1. Represents Performance Units which will be awarded to the Reporting Person under the Company's Equity Incentive Plan upon achievement of the targeted total shareholder return for each of three (3) consecutive calendar years, all as provided by an award of Performance Units made to the Reporting Person on September 17, 2009. The maximum number of Performance Units which may be earned is two hundred percent (200%) of the Performance Units awarded for the target level performance and the minimum number of Performance Units which may be earned is zero (0) Performance Units. The original Form 4 filed September 21, 2009 incorrectly reported, due to a clerical error caused by a misplaced decimal point, that the number of Performance Units which would be awarded to the Reporting Person upon achievement of the targeted total shareholder return for each of three (3) consecutive calendar years was 45 Performance Units.

2. Performance Units are paid at the end of the three (3) consecutive calendar year performance period established under the award or, if earlier, upon death, disability or retirement. Performance Units are forfeited if employment is terminated before the end of the three (3) consecutive calendar year performance period for reasons other than death, disability or retirement. Performance Units are payable solely in cash in an amount equal to the ninety (90) day trailing average price of one (1) share of the Company's common stock determined as of the end of the three (3) consecutive calendar year performance period or, if applicable, death, disability or retirement.
