Form 10-K for the fiscal year ended December 31, 2023 Management's Discussion and Analysis of Financial Condition and Results of Operations Critical Accounting Estimates Revenue Recognition on Contracts with Customers, page 29

1. We have reviewed your response to prior comment 1; however, we note you identified

Revenue Recognition on Contracts as a Critical Accounting Estimate (CAE) in MD&A

and your auditor identified it as a Critical Audit Matter in their audit report. We also note

disclosures related to CAEs are meant to supplement, but not duplicate, descriptions

of accounting policies provided in the notes to the financial statements. Rather, Item

 $303\,(b)\,(3)$  of Regulation S-K requires that for each critical accounting estimate that

involves a significant level of estimation uncertainty and had or is reasonably likely to  $% \left\{ 1\right\} =\left\{ 1\right\} =$ 

have a material impact on financial condition or results of operations, you provide

 $% \left( 1\right) =\left( 1\right) +\left( 1\right) +\left($ 

uncertainty and its impact on the financial statements, including how much the estimate  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +\left($ 

changed during the periods presented. Based on the information provided in your  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +\left($

response letter and the above requirements, please revise future filings to disclose and  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +\left$ 

discuss the impact of favorable and unfavorable changes in contract estimates and  $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left( 1\right) +\left( 1\right) \left( 1$ 

 $% \left( 1\right) =\left( 1\right) \left( 1\right)$  estimated contract losses during each period presented, since it appears to us they had and

are reasonably likely to have a material impact on your results of operations. In addition,  $% \left( 1\right) =\left( 1\right) +\left( 1\right)$ 

if accurate and in order to comply with the requirements of ASC 250-10-50-4, please

revise the notes to your financial statements in future filings to disclose that there were no  $\,$ 

changes in estimates related to any individual contract that materially impacted your  $% \left( 1\right) =\left( 1\right) +\left( 1$ 

financial statements during the periods presented.

In closing, we remind you that the company and its management are responsible for the  $\,$ 

accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or  $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left$
