ARTICLE 2. AWARDS

2.01 Form of Awards. Awards under the Plan may be made in the form of Options, Restricted Shares, Restricted Units, Performance Shares, Performance Units and Rights. An Award in any of the foregoing forms may be granted to any Eligible Person or to any group of Eligible Persons, upon terms and conditions that differ from the terms and conditions upon which any other Awards in the same form are made to other Eligible Persons or groups of Eligible Persons.

2.02 Written Instrument. Each Award made to an Eligible Person under the Plan shall be evidenced by a written instrument in such form as the Committee shall prescribe, setting forth the terms and conditions of the Award. The instrument evidencing the grant of any Award hereunder shall specify that the Award shall be subject to all of the terms and provisions of the Plan as in effect from time to time but subject to the limitation on amendments set forth in Section 10.09 of the Plan.

2.03 Surrender and Exchange of Awards. The Committee may, in its discretion, grant an Award to a Participant who has previously been granted an Award under the Plan or an award under any other employee compensation or benefit plan maintained by the Company or any of its Affiliates (any such previously granted Award or award being hereinafter referred to as a "Prior Award"), in exchange for the surrender and cancellation of such Prior Award or any portion thereof. The new Award so granted may, in the discretion of the Committee, be in a form which is different than that of the Prior Award surrendered, and may be granted subject to terms and conditions that differ from those to which the surrendered Prior Award were subject. Notwithstanding the foregoing, no grant of a new Award in exchange for a Prior Award may be made hereunder unless: (a) the aggregate fair value of the new Award does not exceed the aggregate fair value of the Prior Award, determined as of the time the new Award is granted; and (b) the grant of the new Award would not constitute a "repricing" of any Option or would not otherwise be treated as a "material revision" of the Plan.

2.04 Limitations on Aggregate Amount of Certain Awards. Notwithstanding anything to the contrary contained in this Plan, the maximum number of Shares issuable to any Participant over any five (5) year period in connection with all Options, Performance Shares, Performance Units and Rights granted to such Participant during any such five (5) year period shall not exceed Two Hundred Thousand (200,000) Shares.

ARTICLE 3.
SHARES SUBJECT TO THE PLAN

3.01 Shares Available for Awards. Shares distributed in respect of Awards made under the Plan may be authorized but unissued Shares, Shares held in the treasury of the Company or Shares purchased by the Company on the open market at such time or times and in such manner as it may determine. The Company shall be under no obligation to issue or acquire Shares in respect of an Award made under the Plan before the time when delivery of Shares is due under the terms of the Award. The number of Shares available for distribution in respect of Awards made under the Plan shall be subject to the following limitations:

(a) Subject to the provisions of Section 3.02 hereof, the aggregate number of Shares that may be distributed in respect of Awards made under the Plan shall be limited to two million two hundred fifty thousand (2,250,000) Shares. Of that aggregate number, no more than one million three hundred fifty thousand (1,350,000) Shares in the aggregate shall be available for issuance pursuant to grants of Restricted Shares and Restricted Units. The maximum aggregate number of Shares that may be issued pursuant to all Awards of Incentive Stock Options and Rights granted under the Plan shall not exceed nine hundred thousand (900,000) Shares.

(b) Upon the grant of any Award, the overall aggregate number of Shares available for further Awards under the Plan, and if the Award so granted was in a form subject to a limitation on the aggregate number of Shares available for Awards in that form, the aggregate number of Shares available for further Awards under the Plan in that form, shall be reduced by the number of Shares subject to the Award so granted.

(c) There shall be added back to the aggregate number of Shares available for the grant of Awards under the Plan, as determined under (a) and (b) above, the following: (i) any Shares as to which an Option granted hereunder has not been exercised at the time of its expiration, cancellation or forfeiture; (ii) any Shares included in any other form of Award granted to an Eligible Person hereunder, to the extent that the person's right to receive such Shares, or any cash payment in settlement of such Award, is forfeited; (iii) any Shares represented by Restricted Units granted hereunder as to which payment is made in cash instead of by the issuance and delivery of Shares; and (iv) any Shares subject to an Option granted hereunder, or covered by any other form of Award made hereunder, to the extent such Option or other Award is surrendered in exchange for any other Award made hereunder.

3.02 Certain Adjustments to Shares. In the event of any change in the number of outstanding Shares of Common Stock without receipt of consideration by the Company resulting from any stock dividend, stock split, recapitalization, reorganization, merger, consolidation, split-up, combination or exchange of Shares, or any rights offering to purchase Shares of Common Stock at a price substantially below fair market value, or any similar change affecting the Shares of Common Stock: (a) the maximum aggregate number and kind of Shares specified herein as available for the grant of Awards, or for the grant of any particular form of Award, under the Plan; (b) the number and kind of Shares that may be issued and delivered to Participants upon the exercise of any Option, or in payment with respect to any Award of Restricted Shares or Performance Shares, that is outstanding at the time of such change; (c) the number and kind of Shares represented by any Restricted Units, Performance Units, Rights or Dividend Equivalent Units that are outstanding at the time of such change; (d) the number of Shares represented by any Award of Rights; (e) the exercise price per share of any Options granted hereunder that are outstanding at the time of such change; and (f) the Base Price established with respect to any Rights granted hereunder that are outstanding at the date of such change, shall be appropriately adjusted consistent with such change in such manner as the Compensation Committee, in its sole discretion, may deem equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, the Participants hereunder.

In the case of any outstanding Incentive Stock Option, any such change shall be made in the manner that satisfies the requirements that must be met under Section 424 of the Code in order for such change not to be treated as a "modification" of such Option as defined under Section 424 of the Code.

The Committee shall give notice to each Participant of any adjustment made pursuant to this Section and, upon such notice, such adjustment shall be effective and binding for all purposes.

3.03 Listing and Qualification of Shares. The Company, in its discretion, may postpone the issuance, delivery, or distribution of Shares with respect to any Award until

completion of such stock exchange listing or other qualification of such Shares under any state or federal law, rule or regulation as the Company may consider appropriate, and may require any Participant to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of the Shares in compliance with applicable laws, rules and regulations.

ARTICLE 4.

OPTIONS

4.01 Awards of Options. Subject to the limitations set forth in Article 3 above and to the other terms and conditions of the Plan, Options may be granted under the Plan to Eligible Persons for the purchase of such number of Shares, at such times and, upon such terms and conditions, as the Committee in its discretion may determine.

4.02 Type of Options. Each Option granted hereunder shall be identified in the instrument evidencing such grant as either: (a) an Option intended to be treated as an Incentive Stock Option; or (b) an Option that shall be treated as a Non-Qualified Stock Option.

4.03 Term of Options. The period of time during which an Option may be exercised shall be such period of time as is determined by the Committee and specified in the instrument setting forth the terms of the Option Award; provided that, in no event may the period of time during which an Option may be exercised exceed ten (10) years from the Date of Grant of the Option. Notwithstanding any other provision in this Plan to the contrary, no Option may be exercised after its expiration.

4.04 Exercise of Options. Each Option granted hereunder shall become exercisable, in whole or in part, at such time or times during its term as the instrument evidencing the grant of such Option shall specify. To the extent that an Option has become exercisable, it may be exercised thereafter, in whole or in part, at any time or from time to time prior to its expiration, as to any or all Shares as to which the Option has become and remains exercisable, subject to the provisions of Section 4.05 below.

4.05 Termination of Service. Except as the instrument evidencing the grant of an Option may otherwise provide, the portion of any outstanding Option held by an Eligible Person on the date of his or her Termination of Service that has not become exercisable prior to such date, and the portion of such Option which was exercisable but had not been exercised prior to the date of the Eligible Person's Termination of Service, shall be forfeited on such date.

Notwithstanding the foregoing, if the Committee so determines, in its discretion, the instrument evidencing the grant of an Option may provide that the portion of the Option that is exercisable at the time of the Eligible Person's Termination of Service will continue to be exercisable, and that the portion of such Option that is not exercisable at such time will become exercisable in accordance with the terms of the Option and remain exercisable thereafter, during such period of time after the date on which the Eligible Person's Termination of Service occurs (but not beyond the expiration of the term of the Option), in such circumstances and subject to such terms and conditions, as are specified in such instrument. However, to the extent that any Option granted hereunder to an Employee as an Incentive Stock Option is exercised more than three months after the date of such Employee's Termination of Service for any reason other than

Disability, or more than one year after such date if the Employee's Termination of Service occurred because of Disability, the Option shall be treated as a Non-Qualified Stock Option for purposes of the Plan.

4.06 Exercise Price and Method of Exercise. The price at which Shares may be purchased upon any exercise of an Option shall be the price per share determined by the Committee and specified in the instrument evidencing the grant of such Option; provided that, in no event shall the exercise price per Share be less than: (a) the Fair Market Value of a Share determined as of the Date of Grant of the Option; or (b), if greater, the par value of a Share.

An Option shall be exercised by delivery of a written notice of exercise, in a form satisfactory to the Committee, to the Company at its principal business office and addressed to the attention of the Company's Secretary or such other person as the Company's Secretary may have designated to receive such notice. The notice shall specify the number of Shares with respect to which the Option is being exercised. The notice shall be accompanied by payment of the exercise price of the Shares for which the Option is being exercised, which payment shall be made under one or more of the methods of payment provided in Section 4.07 below.

4.07 Payment. Payment of the exercise price for Shares purchased upon the exercise of an Option shall be made by one, or by a combination of any, of the following methods: (a) in cash, which may be paid by check or other instrument acceptable to the Company, or by wire transfer of funds, in each case in United States dollars; (b) if permitted by the Committee and subject to any terms and conditions it may impose on the use of such methods, by: (i) the delivery to the Company of other Shares owned by the Participant; provided that such shares have been owned by the Participant for the requisite period necessary to avoid a charge to the Company's earnings; or (ii) the surrender to the Company of Shares that otherwise would have been delivered to the Participant upon exercise of the Option; (c) to the extent permissible under applicable law, through any cashless exercise sale and remittance procedure that the Committee in its discretion may from time to time approve; (d) to the extent permissible under applicable law and permitted by the Committee, by the execution by the Participant and delivery to the Company of a promissory note or other instrument evidencing the Participant's agreement to pay part or all of the Option exercise price on a deferred or installment payment basis, upon such terms and conditions (including, without limitation, terms requiring Shares purchased upon the exercise of the Option to be pledged to the Company to secure payment of any outstanding balance of the option exercise price) as the Committee shall require; or (e) any other method of payment as the Committee may from time to time approve.

For purposes of determining the portion of the exercise price payable upon the exercise of an Option that will be treated as satisfied by the delivery or surrender of Shares pursuant to clause (b) (i) or (ii) above, Shares so delivered or surrendered shall be valued at their Fair Market Value determined as of the business day next preceding the date on which the Option is exercised .

4.08 Incentive Stock Options. Notwithstanding any other provisions of the Plan, Incentive Stock Options granted under the Plan shall be subject to the following provisions:

- (a) No Incentive Stock Option may be granted under the Plan after February 9, 2015.

(b) To the extent that the aggregate Fair Market Value of Shares with respect to which Incentive Stock Options granted under the Plan and under all other stock option plans maintained by the Company are exercisable for the first time by a Participant during any calendar year exceeds \$100,000, the Incentive Stock Options so exercisable shall be treated as Non-Qualified Stock Options. For purposes of the foregoing, the Fair Market Value of Shares as to which any Incentive Stock Option may be exercised shall be determined as of the Date of Grant of such Option. The determination of whether the limitation set forth in the first sentence of this Section 4.08(b) applies with respect to any Incentive Stock Option granted under the Plan shall be made in accordance with applicable provisions of Section 422 of the Code and the regulations issued thereunder.

(c) No Incentive Stock Option shall be granted to an Employee if, as of the Date of Grant of such Option, such Employee owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company, unless: (i) the exercise price per Share under such Option is at least 110% percent of the Fair Market Value of a Share determined as of the Date of Grant of such Option; and (ii) such Option is not exercisable after the expiration of five (5) years from the Date of Grant of such Option. If an Option, designated as an Incentive Stock Option, is granted to an Employee who owns more than ten percent (10%) of the total combined voting power of all classes of stock of the Company and either the price per Share at which the Option is exercisable or the date on which the Option expires does not satisfy the limitations specified above, such Incentive Stock Option shall be treated as a Non-Qualified Stock Option.

(d) The instrument evidencing the grant of any Incentive Stock Option shall require that if any Shares acquired upon the exercise of such Option are disposed of within 2 years from the Date of Grant of such Option, or within one year from the date as of which the Shares disposed of were transferred to the Participant pursuant to the exercise of such Option, the Participant shall give the Company written notice of such disposition, within ten days following the date of such disposition.

4.09 Other Option Provisions. The instrument evidencing the grant of any Option hereunder may contain such other terms and conditions, not inconsistent with the provisions of the Plan or any applicable law, as the Committee may determine.

4.10 Rights of a Shareholder. Upon the exercise by a Participant of an Option or any portion thereof in accordance with the Plan, the provisions of the instrument evidencing the grant of such Option and any applicable rules and regulations established by the Committee and the issuance to the Participant of a certificate representing the Shares with respect to which the Option has been exercised, the Participant shall have all of the rights of a stockholder of the Company with respect to the Shares issued as a result of such exercise. Prior to the issuance to a Participant of a certificate representing Shares issuable to the Participant upon his or her exercise of an Option, the Participant shall not have any rights as a stockholder of the Company with respect to such Shares.

ARTICLE 5.

RESTRICTED SHARES AND RESTRICTED UNITS

5.01 Awards of Restricted Shares and Restricted Units. Subject to the limitations set forth in Article 3 and to the other terms and conditions of the Plan, Restricted Shares and Restricted Units may be granted to such Eligible Persons, at such times, and in such amounts, as the Committee may determine in its discretion. In addition to Awards of Restricted Shares or Restricted Units which may be made to any Eligible Person in recognition of services provided to the Company and its Affiliates or as an incentive for such Eligible Person to continue to contribute to the profitability and growth of the Company and its Affiliates, the Company has, effective as of May 19, 2005, adopted a framework under which a specific type of Restricted Unit Awards will be made, which framework is known as the Gibraltar Industries, Inc. Management Stock Purchase Plan (the "MSPP"). The MSPP is intended to be treated as an integral part of this Plan and provides for the granting of Awards of Restricted Units to Eligible Persons in consideration for and recognition of the agreement of such Eligible Persons to authorize the Company to credit Restricted Units to an account established for the benefit of such Eligible Persons under the MSPP in lieu of the payment to such Eligible Persons of all or part of the annual incentive bonus (in the case of an Eligible Person that is an Employee) or all or part of the Director fees (in the case of an Eligible Person that is a member of the Company's Board of Directors) which such Eligible Persons would otherwise be entitled to receive from the Company and its Affiliates. In this regard, the maximum number of Shares that may be issued pursuant to grants of Restricted Shares and Restricted Units (as provided by Section 3.01(a)) shall be reduced by Awards of Restricted Shares and Restricted Units made to Eligible Persons under the terms of the MSPP.

5.02 Restrictions and Restricted Period. At the time of each grant of Restricted Shares or Restricted Units to any Participant, the Committee shall establish a period of time within which the Restricted Shares or Restricted Units covered by such grant (and the Participant's right to receive payment with respect to such Restricted Units) may not be sold, assigned, transferred (other than a transfer to the Participant's Beneficiary occurring by reason of the Participant's death), made subject to gift, or otherwise disposed of, or mortgaged, pledged or otherwise encumbered, whether voluntarily or by operation of law. The Committee in its discretion may prescribe a separate Restricted Period for any specified portion of the Restricted Shares or Restricted Units granted pursuant to any Award.

5.03 Rights While Restricted Shares Remain Subject to Restrictions. Restricted Shares granted to a Participant hereunder may be issued to the Participant as of the Date of Grant as uncertificated shares or as Shares represented by a stock certificate bearing a legend or legends making appropriate references to the Restrictions. Until the Restrictions which apply to Restricted Shares lapse in accordance with the provisions of Section 5.05 below or Section 9.01(c), the Restricted Shares granted to a Participant which are not certificated shall be held in the Participant's name in a bookkeeping account maintained by the Company and Restricted Shares granted to a Participant and represented by a stock certificate shall continue to bear the legend or legends making reference to the Restrictions. A separate account shall be maintained for all Restricted Shares granted to a Participant with a Restricted Period ending on the same date.

Except for the Restrictions which apply to Restricted Shares, and subject to the forfeiture provisions applicable under Section 5.06 below, a Participant shall have, with respect to all Restricted Shares so held for his account, all of the rights of a stockholder of the Company, including full voting rights with respect to such Shares and the right to receive currently with respect to the Participant's Restricted Shares all dividends and other distributions payable generally on the Company's Shares. If any dividends or distributions so payable are paid in Shares, the Shares paid as a dividend or distribution with respect to a Participant's Restricted Shares shall be subject to the same Restrictions and provisions relating to forfeiture as apply to the Restricted Shares with respect to which they were paid. Such stock dividend Shares shall themselves be treated as Restricted Shares, and shall be credited to the same account which the Company maintains for those Restricted Shares of the Participant with respect to which such stock dividends or distributions were paid.

Notwithstanding the foregoing, if the instrument evidencing the grant of any Restricted Shares to a Participant so provides, all cash dividends and distributions payable generally on the Company's Shares that are otherwise payable with respect to the Restricted Shares granted to the Participant shall not be paid currently to the Participant but instead, shall be applied to the purchase of additional Shares for the Participant's account. The additional Shares so purchased shall be subject to the same Restrictions and provisions relating to forfeiture as apply to the Restricted Shares with respect to which they were paid. Such additional Shares shall themselves be treated as Restricted Shares, and shall be credited to the same account which the Company maintains for those Restricted Shares of the Participant with respect to which such dividends or distributions were paid. The purchase of any such additional Shares shall be made in accordance with such other procedure as may be specified in the instrument evidencing the grant of the Restricted Shares on which such dividends are paid.

5.04 Rights While Restricted Units Remain Subject to Restrictions. No Shares shall be issued at the time an award of Restricted Units is made. Except as provided in the following paragraph or otherwise provided by the instrument evidencing an Award of Restricted Units, a Participant that is the holder of an Award of Restricted Units shall not have any rights as a shareholder with respect to such Restricted Units. Restricted Units granted to a Participant hereunder shall be credited to a bookkeeping account maintained by the Company for the Participant. A separate account shall be maintained for all Restricted Units granted to a Participant with a Restricted Period ending on the same date and for all Dividend Equivalent Units that are to be credited to such account in accordance with the next following paragraph.

If any dividends or other distributions payable on the Company's Shares are paid in Shares during any period that a Participant holds an Award of Restricted Units, as of the applicable Dividend Payment Date, a number of additional Restricted Units shall be credited to each account established for the Participant to reflect the number of Restricted Units held by the Participant as of such Dividend Payment Date. The number of additional Restricted Units to be credited shall be determined by first multiplying: (a) the total number of Restricted Units standing to the Participant's credit in such account on the day immediately preceding such Dividend Payment Date (including all Dividend Equivalent Units credited to such account on all previous Dividend Payment Dates); by (b) the per share dollar amount of the dividend paid on such Dividend Payment Date; and then, (c) dividing the resulting amount by the Fair Market Value of one Share on such Dividend Payment Date. Dividend Equivalent Units awarded

pursuant to this paragraph to a Participant that holds an Award of Restricted Units shall have the same Restricted Period as the Restricted Units with respect to which such Dividend Equivalent Units have been awarded.

5.05 Lapse of Restrictions and Payment. Upon the expiration of the Restricted Period for any Restricted Shares or Restricted Units granted to a Participant hereunder but subject to the provisions of Section 5.06 below, the Restrictions applicable to such Restricted Shares or Restricted Units shall lapse, and payment with respect to such Restricted Shares or Restricted Units (including any related Dividend Equivalent Units) shall be made in accordance with the following provisions:

(a) In the case of Restricted Shares, payment shall be made by delivery to the Participant of a stock certificate for the number of such Restricted Shares, free and clear of all Restrictions to which such shares were subject. However, if the Restricted Shares with respect to which the applicable Restrictions have lapsed includes a fractional Share, payment for such fractional Share shall be made in cash, in an amount equal to the Fair Market Value of such fractional Share determined as of the date on which such Restrictions lapsed. Delivery of such stock certificate and any such cash payment shall be made to the Participant as soon as practicable following the lapse of the applicable Restrictions.

(b) In the case of Restricted Units (including related Dividend Equivalent Units), payment shall be made: (i) in all cases other than Restricted Units issued in connection with the MSPP, by the issuance and delivery to the Participant of a stock certificate for a number of Shares equal to the number of whole Restricted Units and related Dividend Equivalent Units with respect to which the applicable Restrictions have lapsed, and (ii) by payment in cash for any fractional Restricted Unit payable as a result of the lapse of such Restrictions, in an amount equal to the Fair Market Value of such fractional Restricted Unit determined as of the date as of which such Restrictions lapsed. In the case of Restricted Units issued pursuant to the terms of the MSPP, payment shall be made, in cash, in an amount and at the time provided for in the MSPP. Issuance of certificates for Shares shall be made in such manner and at such time or times as provided in such instrument. Unless otherwise provided by the instrument evidencing a grant of Restricted Units, payment with respect to any part or all of a Participant's Restricted Units (including related Dividend Equivalent Units) may be deferred, at the Participant's election, upon such terms and conditions as are specified by the Participant, in writing, subject to the restrictions on deferral of compensation contained in Code Section 409A.

5.06 Termination of Service. Except as the instrument evidencing the grant of Restricted Shares or Restricted Units may otherwise provide, upon an Eligible Person's Termination of Service for any reason prior to the expiration of the Restricted Period which is in effect for any Restricted Shares or Restricted Units (and related Dividend Equivalent Units) standing to his or her credit immediately prior to such Termination of Service, the Eligible Person's right to receive payment with respect to such Restricted Shares, Restricted Units and Dividend Equivalent Units shall be forfeited and cancelled as of the date of such Termination of Service, and no payment of any kind shall be made with respect to such Restricted Shares, Restricted Units and Dividend Equivalent Units.

Notwithstanding the foregoing, if the Committee so determines, in its discretion, the instrument evidencing the Award of such Restricted Shares or Restricted Units may provide that

if the Eligible Person's Termination of Service occurs prior to the end of the Restricted Period established for such Restricted Shares or Restricted Units as a result of the Eligible Person's death, Disability or Retirement (but not for any other reason), payment will be made with respect to all or a Pro Rata Portion of such Restricted Shares or Restricted Units and any related Dividend Equivalent Units. In such case, only the Eligible Person's right to receive payment with respect to any remaining portion of the Restricted Shares or Restricted Units (and related Dividend Equivalent Units) for which such Restricted Period was established shall be cancelled and forfeited. Any payment required to be made with respect to an Eligible Person's Restricted Shares or Restricted Units (and related Dividend Equivalent Units) pursuant to this paragraph shall be made as soon as practicable after the date of such Eligible Person's Termination of Service, and shall be made in the manner specified in Section 5.05.

5.07 Notice of Code Section 83(b) Election. A Participant who files an election under Section 83(b) of the Code to include in gross income the Fair Market Value of any Restricted Shares granted hereunder while such Shares are still subject to Restrictions shall furnish the Company with a copy of the election so filed by the Participant, within ten days of the filing of such election with the Internal Revenue Service.

ARTICLE 6.

PERFORMANCE SHARES AND PERFORMANCE UNITS

6.01 Awards of Performance Shares and Performance Units. Subject to the limitations set forth in Article 3 and to the other terms and conditions of the Plan, Performance Shares or Performance Units may be granted to such Eligible Persons, at such times, in such amounts, and upon such terms and conditions, as the Committee may determine in its discretion. Performance Shares and Performance Units shall be granted in accordance with the provisions set forth below.

6.02 Establishment of Performance Goals and Performance Targets. In connection with each Award of Performance Shares or Performance Units, the Committee shall establish in writing, and the instrument evidencing the grant of such Award shall specify: (a) the Performance Goal or Goals and the Performance Period that will apply with respect to such Award; (b) the level or levels of achievement of the Performance Goal or Goals that must be met in order for payment to be made with respect to the Award; (c) the number of Performance Shares that will be issued and delivered to the recipient of the Award, or the percentage of the Performance Units (and any related Dividend Equivalent Units) credited to the recipient in connection with the Award as to which payment will be made, if the Performance Goal or Goals applicable to such Award: (i) have been fully achieved; (ii) have been exceeded; or (iii) have not been fully achieved but have been achieved at or beyond any minimum or intermediate level of achievement specified in the instrument evidencing the grant of such Award; and (d) such other terms and conditions pertaining to the Award as the Committee in its discretion may determine. In connection with any such Award made to any Covered Executive, the matters described in the preceding sentence shall be established within such period of time as may be permitted by the regulations issued under Section 162(m) of the Code.

6.03 Rights While Performance Shares Remain subject to Achievement of Performance Goals. Performance Shares granted to a Participant hereunder may be issued to the Participant as of the Date of Grant as uncertificated shares or as Shares represented by a stock certificate bearing a legend or legends making appropriate reference to the restrictions on

transferability of such Performance Shares as hereinafter set forth. Until the Performance Period which applies to the Performance Shares expires, the Performance Shares granted to a Participant which are not certificated shall be held in the Participant's name in a bookkeeping account maintained by the Company and Performance Shares granted to a Participant and represented by a stock certificate shall continue to bear the legend or legends making reference to the restrictions on transferability of such Performance Shares as hereinafter set forth.

Until the Performance Period which applies to an award of Performance Shares has expired, the Performance Shares shall not be sold, assigned, transferred (other than a transfer to the Participant's Beneficiary occurring by reason of the Participant's death), made subject to gift or otherwise disposed of, mortgaged, pledged or otherwise encumbered, whether voluntarily or by operation of law. A separate account shall be maintained for all Performance Shares granted to a Participant with a Performance Period ending on the same date.

Except for the restrictions on transferability which apply to Performance Shares, and subject to the forfeiture provisions applicable under Section 6.11 below, a Participant shall have, with respect to all Performance Shares so held for his account, all of the rights of a stockholder of the Company, including full voting rights with respect to such Shares and the right to receive currently with respect to the Participant's Performance Shares, all dividends and other distributions payable generally on the Company's Shares. If any dividends or distributions so payable are paid in Shares, the Shares paid as a dividend or distribution with respect to a Participant's Performance Shares shall be subject to the same Performance Goals and provisions relating to forfeiture as apply to the Performance Shares with respect to which they were paid. Such stock dividend Shares shall themselves be treated as Performance Shares, and shall be credited to the same account which the Company maintains for those Performance Shares of the Participant with respect to which such stock dividends or distributions were paid.

Notwithstanding the foregoing, if the instrument evidencing the grant of any Performance Shares to a Participant so provides, all cash dividends and distributions payable generally on the Company's Shares that are otherwise payable with respect to the Performance Shares granted to the Participant shall not be paid currently to the Participant but instead, shall be applied to the purchase of additional Shares for the Participant's account. The additional Shares so purchased shall be subject to the same Performance Goals and provisions relating to forfeiture as apply to the Performance Shares, and shall be credited to the same account which the Company maintains for those Performance Shares of the Participant with respect to which such dividends or distributions were paid. The purchase of any such additional Shares shall be made in accordance with such other procedure as may be specified in the instrument evidencing the grant of the Performance Shares on which such dividends are paid.

6.04 Rights While Performance Units Remain Subject to Achievement of Performance Goals. No Shares shall be issued at the time an Award of Performance Units is made. Except as provided in the following paragraph or otherwise provided in the instrument evidencing an Award of Performance Units, a Participant that is the holder of an Award of Performance Units shall not have any rights of a shareholder with respect to such Performance Units. Performance Units granted to a Participant hereunder shall be credited to a bookkeeping account maintained by the Company for the Participant. A separate account shall be maintained for all Performance Units granted to a Participant with a Performance Period ending on the same date and for all

Dividend Equivalent Units that are to be credited to such account in accordance with the following paragraph.

If any dividends or other distributions payable on the Company's Shares are paid in Shares during any period that a Participant holds an Award of Performance Units, as of the applicable Dividend Payment Date, a number of additional Performance Units shall be credited to each account established for the Participant to reflect the number of Performance Units held by the Participant as of such Dividend Payment Date. The number of such additional Performance Units to be credited shall be determined by first multiplying: (a) the total number of Performance Units standing to the Participant's credit in such account on the day immediately preceding such Dividend Payment Date (including all Dividend Equivalent Units credited to such account on all previous Dividend Payment Dates); by (b) the per Share dollar amount of the dividend paid on such Dividend Payment Date; and then, (c) dividing the resulting amount by the Fair Market Value of one Share on such Dividend Payment Date. Dividend Equivalent Units awarded pursuant to this paragraph to a Participant that holds an Award of Performance Units shall have the same Performance Goals and Performance Period as the Performance Units with respect to which such Dividend Equivalent Units have been awarded.

6.05 Performance Goals for Covered Executives. In the case of any Award of Performance Shares or Performance Units to any Eligible Person who is a Covered Executive, the Performance Goal or Goals established in connection with such Award shall be based on one or more of the following business criteria, as determined by the Committee in its discretion: (a) the attainment of specified levels of, or increases in, the Company's after-tax or pretax return on stockholder's equity; (b) the attainment of specified levels in the fair market value of the Company's Shares; (c) the attainment of specified levels of growth in the value of an investment in the Company's Shares, assuming that all dividends paid on the Company's Common Stock are reinvested in additional Shares; (d) the attainment of specified levels of, or increases in, the Company's pre-tax or after-tax earnings, profits, net income, or earnings per share; (e) the attainment of specified levels of, or increases in, the Company's earnings before income tax, depreciation and amortization (EBITDA); (f) attainment of specified levels of, or increases in, the Company's net sales, gross revenues or cash flow from operations; (g) the attainment of specified levels of, or increases in, the Company's working capital, or in its return on capital employed or invested; (h) the attainment of specified levels of, or decreases in, the Company's operating costs or any one or more components thereof, or in the amount of all or any specified portion of the Company's debt or other outstanding financial obligations.

Any of the business criteria described in the preceding paragraph which the Committee establishes as a Performance Goal may be measured either by the performance of the Company and its Affiliates on a consolidated basis, or by the performance of any one or more of the Company's subsidiaries, divisions, or other business units, as the Committee in its discretion may determine. In its discretion, the Committee may also establish Performance Goals, based on any of the business criteria described in this Section 6.05, that require the attainment of a specified level of performance of the Company, or any of its subsidiaries, divisions or other business units, relative to the performance of other specified corporations, in order for such Performance Goals to be met.

The Committee may also, in its discretion, include in any Performance Goal the attainment of which depends on a determination of the net earnings or income of the Company or any of its subsidiaries, divisions or other business units, provisions which require such determination to be made by eliminating the effects of any decreases in or charges to earnings for: (a) the effect of foreign currency exchange rates; (b) any acquisitions, divestitures, discontinuances of business operations, restructurings or other special charges; (c) the cumulative effect of any accounting changes; and (d) any “extraordinary items” as determined under generally accepted accounting principles, to the extent that such decreases or charges referred to in clauses (a) through (d) of this paragraph are separately disclosed in the Company’s Annual Report for each fiscal year within the applicable Performance Period.

6.06 Performance Goals for Non-Covered Executives. In the case of Awards of Performance Shares or Performance Units made hereunder to Eligible Persons who are not Covered Executives, the Performance Goal or Goals applicable to such Awards shall be such corporate or individual goals as the Committee in its discretion may determine.

6.07 Measurement of Performance. At the end of the Performance Period established in connection with any Award of Performance Shares or Performance Units, the Committee shall determine the extent to which the Performance Goal or Goals established for such Award have been met, and shall determine, on that basis, the number of Performance Shares or Performance Units included in such Award that have been earned and as to which payment will be made pursuant to Section 6.09 below, subject to the adjustments provide for in Section 6.08 and the forfeiture provisions of Section 6.10. In the case of any Award granted to a Covered Executive, the Committee shall certify in writing the extent to which it has determined that the Performance Goal or Goals established by it for such Award have been met.

6.08 Adjustment of Award Amounts. The number of Shares issuable with respect to an Award on the basis of the level of attainment of the applicable Performance Goals as determined by the Committee under Section 6.07 shall be subject to adjustment in accordance with the following provisions:

(a) To the extent not inconsistent with the terms of the Plan and if the instrument evidencing the Award so provides, the number of Shares otherwise issuable with respect to an Award to an Eligible Person who is not a Covered Executive may be increased or decreased to the extent determined by the Committee in its discretion, based on the Committee’s evaluation of the Eligible Person’s individual performance or to reflect such other events, circumstances or factors as the Committee in its discretion deems appropriate in determining the extent to which payment should be made with respect to the Eligible Person’s Award.

(b) Notwithstanding the provisions of Section 6.08(a) above, the Committee shall not have any authority to increase the number of Shares otherwise issuable with respect to any Award of Performance Shares or Performance Units to a Covered Executive. However, if the instrument evidencing an Award to a Covered Executive so provides, the Committee may, in its discretion, reduce the number of Shares otherwise issuable with respect to such Award: (i) to reflect any decreases in or charges to earnings that were not taken into account pursuant to clause (a), (b), (c), or (d) of the last paragraph of Section 6.05 in determining net earnings or income for purposes of any Performance Goal established in connection with such Award; (ii) to reflect any credits to earnings for extraordinary items of income or gain that were taken into account in

determining net earnings or income for such purposes; (iii) to reflect the Committee's evaluation of the Covered Executive's individual performance; or (iv) to reflect any other events, circumstances or factors which the Committee believes to be appropriate in determining the extent to which payment should be made with respect to the Covered Executive's Award.

6.09 Payment of Awards. Payment with respect to that number of Performance Shares or Performance Units subject to any Award which the Committee has determined under Section 6.07 above to have been earned, as adjusted to the extent determined by the Committee under Section 6.08, shall be made in accordance with the following provisions:

(a) In the case of any such Performance Shares, payment shall be made by the issuance and delivery to the Participant of a stock certificate for the requisite number of such Shares free of the legends making reference to restrictions on transferability of the Performance Shares provided for by this Plan. However, if the Performance Shares with respect to which payment is to be made include a fractional Share, payment of such fractional Share shall be made in cash, in an amount equal to the Fair Market Value of such fractional Share determined as of the end of the Performance Period. Such Shares shall be issued and delivered, and, if applicable, such cash payment shall be made, to the Participant as soon as practicable after the end of the Performance Period applicable to the Award in question.

(b) In the case of Performance Units, (including related Dividend Equivalent Units), payment shall be made: (i) by the issuance and delivery to the Participant of a stock certificate for a number of Shares equal to the total number of such whole Performance Units and related Dividend Equivalent Units; and (ii) by payment in cash for any fractional Unit in an amount equal to the Fair Market Value of such fractional Unit determined as of the day immediately preceding the date as of which payment is to be made. Payment shall be made in such manner and at such time or times as provided in such instrument. Unless otherwise provided by the instrument evidencing the grant of Performance Units, issuance of certificates for Shares with respect to any part or all of a Participant's Performance Units (including any related Dividend Equivalent Units) may be deferred, at the Participant's election, upon such terms and conditions as are specified by the Participant, in writing, subject to the restrictions on deferral of compensation contained in Code Section 409A.

6.10 Termination of Service. Except as the instrument evidencing the grant of Performance Shares or Performance Units may otherwise provide, upon an Eligible Person's Termination of Service for any reason prior to the end of the Performance Period established for any Award of Performance Shares or Performance Units, such Award shall be cancelled, all Performance Shares or Performance Units included in such Award, and all Dividend Equivalent Units that were credited with respect to such Performance Shares or Performance Units, shall be forfeited, and no payment of any kind shall be made with respect to such Award.

Notwithstanding the foregoing, if the Committee so determines, in its discretion, the instrument evidencing any such Award may provide that if the Eligible Person's Termination of Service prior to the end of the Performance Period established for such Award occurs as a result of the Eligible Person's death, Disability or Retirement (but not for any other reason), payment will be made at the end of the Performance Period, in accordance with the provisions of Section 6.09, with respect to all or a Pro Rata Portion of the number of Shares and/or the amount of cash that otherwise would have been payable to the Eligible Person, as determined in accordance with

the provisions of Sections 6.07 and 6.08, if the Eligible Person's Termination of Service had not occurred prior to the end of such Performance Period. In such case, only the Eligible Person's right to receive payment with respect to any remaining portion of the Performance Shares or Performance Units (and related Dividend Equivalent Units) included in such Award shall be cancelled and forfeited.

6.11 Notice of Code Section 83(b) Election. A Participant who files an election under Section 83(b) of the Code to include in gross income the Fair Market Value of any Performance Shares granted hereunder while such Shares are still subject to achievement of Performance Goals shall furnish the Company with a copy of the election so filed by the Participant within ten (10) days of the filing of such election with the Internal Revenue Service.

ARTICLE 7.
RIGHTS

7.01 Awards of Rights. (a) Subject to the limitations set forth in Article 3 above and to the other terms and conditions of the Plan, Rights may be granted under the Plan to any Eligible Person at such times and upon such terms and conditions as the Committee, in its discretion may determine. Rights shall be granted in accordance with the provisions of this Article 7.

(b) The terms of the instrument which contains the terms of an Award of Rights shall specify the number of Shares which shall be used as the basis for determining the value of the Rights at the end of the Appreciation Period and the Base Price in effect for those Shares.

(c) Rights shall be exercisable at such time and upon such terms as may be established by the Committee in the instrument setting forth the terms of the Award; provided that, in no event shall the period of time that an Award of Rights is exercisable extend beyond the ten (10) year period beginning on the Date of Grant.

(d) Rights shall be subject to the same transferability restrictions applicable to all Awards and may not be transferred during the holder's lifetime, except to one or more family members as provided in Section 8.02.

(e) The holder of a Right shall not have any stockholder rights with respect to the Shares used to determine the value of the Right.

7.02 Dividend Equivalent Units. If any dividends or other distributions payable on the Company's Shares are paid in Shares during any period that a Participant holds an Award of Rights, as of the applicable Dividend Payment Date, a number of additional Rights shall be credited to any account established for the Participant to reflect the number of Rights held by the Participant as of such Dividend Payment Date. The number of such additional Rights to be credited shall be determined by first multiplying: (a) the total number of Rights standing to the Participant's credit in such account on the day immediately preceding such Dividend Payment Date (including all Dividend Equivalent Units credited to such account on all previous Dividend Payment Dates); by (b) the per share dollar amount of the dividend paid on such Dividend Payment Date; and then (c) dividing the resulting amount by the Fair Market Value of one Share on

such Dividend Payment Date. Additional Rights awarded pursuant to this Section to a Participant that holds an Award of Rights shall be exercisable at the same time and upon the same terms as the Rights with respect to which such additional Rights are to be issued; provided that, the Base Price of such rights shall be equal to the Fair Market Value of a Share, determined as of the applicable Dividend Payment Date.

7.03 Termination of Service. Except as the instrument evidencing the grant of an Award of Rights may otherwise provide, upon an Eligible Person's Termination of Service for any reason prior to the expiration of the Appreciation Period which is in effect for any Right (and related Dividend Equivalent Units) standing to his or her credit immediately prior to such Termination of Service, the Eligible Person's right to exercise such Right shall be forfeited and cancelled as of the date of such Termination of Service, and no payment of any kind shall be made with respect to such Right and related Dividend Equivalent Units.

Notwithstanding the foregoing, if the Committee so determines, in its discretion, the instrument evidencing the Award of such Right may provide that if the Eligible Person's Termination of Service occurs prior to the end of the Appreciation Period established for such Right as a result of the Eligible Person's death, Disability or Retirement (but not for any other reason), payment will be made with respect to all or a Pro Rata Portion of such Right and any related Dividend Equivalent Units. In such case, only the Eligible Person's right to receive payment with respect to any remaining portion of the Right (and related Dividend Equivalent Units) for which such Appreciation Period was established shall be cancelled and forfeited. Any payment required to be made with respect to an Eligible Person's Right (and related Dividend Equivalent Units) pursuant to this paragraph shall be made as soon as practicable after the date of such person's Termination of Service, and shall be made in the manner specified in Section 7.04.

7.04 Payment of Awards. In the case of Rights, (including related Dividend Equivalent Units), payment shall be made: (a) by the issuance and delivery to the Participant of a stock certificate for a number of Shares having a Fair Market Value on the date the Rights are exercised equal to: (i) the aggregate Fair Market Value of the Shares used as the basis for determining the value of the Rights being exercised, determined as of the date the Rights are exercised; minus (ii) the aggregate Base Price in effect for the Rights being exercised; and (b) by payment in cash for any fractional Shares which would be issued using the formula contained in (a) above. Issuance of certificates for Shares shall be made in such manner and at such time or times as provided in such instrument. Unless otherwise provided by the instrument evidencing the grant of Rights, issuance of certificates for Shares with respect to any part or all of a Participant's Rights (including any related Dividend Equivalent Units) may be deferred, at the Participant's election, upon such terms and conditions as are specified by the Participant, in writing, subject to the restrictions on deferral of compensation contained in Code Section 409A.

ARTICLE 8.
TRANSFERABILITY OF AWARDS

8.01 Restrictions on Transfers. Except as otherwise provided by Section 8.02 below: (a) any Option granted to an Eligible Person under the Plan shall be nontransferable and may be exercised during the Eligible Person's lifetime only by the Eligible Person; (b) any Restricted Shares, Restricted Units, Performance Shares, Performance Units and Rights granted to an Eligible Person under the Plan shall not be transferrable by the Eligible Person during his or her

lifetime; and (c) a Participant's right to receive payment of Shares or cash with respect to any Award granted to the Participant under the Plan shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment, or garnishment by creditors of the Participant.

8.02 Permitted Transfers. Notwithstanding the provisions of Section 8.01 above, if the instrument evidencing the grant of any Award other than an Incentive Stock Option so provides, the recipient of such Award may transfer his or her rights with respect to such Award, or any portion thereof, to any "family member" of the recipient, as that term is defined in the General Instructions to Form S-8 promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended, subject to such limitations, terms and conditions as may be specified in such instrument.

ARTICLE 9.
EFFECTS OF CHANGE IN CONTROL

9.01 Change in Control. Notwithstanding any other provision in the Plan to the contrary, except as otherwise provided in the Merger Sale Agreement entered into by the Company in connection with a Change in Control, upon the occurrence of a Change in Control, the following provisions shall apply:

(a) Each Option outstanding on the day immediately preceding the date on which the Change in Control occurs shall be converted to a right to receive an Option Cash Out Payment. Payment of the Option Cash Out Payment shall be made to the holder of the Option in one lump sum payment, less applicable withholding taxes, on the date on which the Change in Control occurs.

(b) Each Right outstanding on the day immediately preceding the date on which the Change in Control occurs shall be converted to a right to receive the Right Cash Out Payment. Payment of the Right Cash Out Payment shall be made to the holder of the Right in one lump sum payment, less applicable withholding taxes, on the date on which the Change in Control occurs.

(c) The Restricted Periods applicable to all Restricted Shares and Restricted Units (including any related Dividend Equivalent Units) granted to a Participant hereunder that are still outstanding on the day immediately preceding the date on which such Change in Control occurs shall expire on such date; all Restrictions applicable to such outstanding Restricted Shares, Restricted Units and related Dividend Equivalent Units shall lapse on such date; and the Participant's rights to receive delivery or payment with respect to all such outstanding Restricted Shares, Restricted Units and related Dividend Equivalent Units shall become nonforfeitable as of such date. Payment with respect to such outstanding Restricted Shares, Restricted Units and related Dividend Equivalent Units shall be made on the date the Change in Control occurs. Unless the Committee determines that payment with respect to Restricted Shares and Restricted Units is to be made in the form of a cash payment instead of the issuance and delivery of Shares, the Company shall take whatever steps are necessary to cause all such Restricted Shares and Shares attributable to Restricted Units to be issued to the applicable Participants, and to be treated as outstanding, as of the date the Change in Control occurs.

(d) The Performance Periods applicable to all Performance Shares and Performance Units (including any related Dividend Equivalent Units) granted to a Participant hereunder that are still outstanding on the day immediately preceding the date on which such Change in Control occurs shall end on such date; all Performance Goals that were established in connection with the Award of such Performance Shares or Performance Units shall be deemed to have been satisfied in full as of such date; the number of Performance Shares or the percentage of the Performance Units as to which payment is to be made in the event the Performance Goal or Goals applicable to the Award of such Shares or Units are met at the targeted level of performance, as specified in the instrument evidencing the grant of such Award, shall be deemed to be earned in full as of such date; and the Participant shall acquire on such date a nonforfeitable right to receive payment with respect to such number of Performance Shares (including any cash payment for dividends payable thereon, if the instrument evidencing the grant of such shares provides for such cash payment), or with respect to such percentage of the Performance Units (and any related Dividend Equivalent Units), determined without any adjustment under Section 6.09(a) or (b). Payment with respect to such Performance Shares, Performance Units and related Dividend Equivalent Units shall be made on the date the Change in Control occurs. Unless the Committee determines that payment with respect to such Performance Shares and Performance Units is to be made in the form of a cash payment instead of by the issuance and delivery of Shares, the Company shall take whatever steps are necessary to cause all such Performance Shares and Shares attributable to Performance Units to be issued to the applicable Participants, and to be treated as outstanding, as of the date the Change in Control occurs.

9.02 Substitution of New Awards. Notwithstanding the provisions of Section 9.01, if provided for by a Merger Sale Agreement entered into in connection with a Change in Control, the rights of Participants under any Awards outstanding on the day immediately preceding the Change in Control shall be honored or assumed or new rights issued therefor by the entity which survives the Change in Control (each such honored, assumed or substituted option being hereinafter an "Alternative Award"); provided that, any such Alternative Award satisfies the following criteria:

(a) the Alternative Award must be based on stock which is traded on an established securities market, or which will be so traded within thirty (30) days of the Change in Control;

(b) the Alternative Award must provide the Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award, including, but not limited to, an identical or better exercise schedule; and

(c) the Alternative Award must have economic value substantially equivalent to the value of such Award (determined at the time of the Change in Control).

ARTICLE 10.
ADMINISTRATION

10.01 Administration of the Plan. (a) (a) Except as otherwise specifically provided in the Plan, the Plan shall be administered by: (i) the Board of Directors, with respect to all matters

pertaining to Awards that may be granted or that have been granted hereunder to any Director that is an Eligible Person; (ii) by the Compensation Committee, with respect to all matters pertaining to Awards that may be made or that have been made to Employees, except as otherwise provided in (iii); and (iii) by the CEO, with respect to those specific matters pertaining to Awards to Employees who are not Executive Officers that are within the scope of the authority granted to the CEO under Section 10.05 below or delegated by the Compensation Committee to the CEO pursuant to Section 10.02 below.

(b) No Covered Individual shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under the Plan. The Company shall, to the maximum extent permitted by applicable law and the Certificate of Incorporation and By-laws of the Company, indemnify and hold each Covered Individual harmless from and against any loss, cost or expense (including reasonable attorney fees) or liability (including any amount paid in settlement of a claim with the approval of the Company) arising out of any act or omission to act in connection with the Plan or any Award granted pursuant to the Plan. Such indemnification shall be in addition to any rights of indemnification such individuals may have under applicable law or under the Certificate of Incorporation and By-laws of the Company.

10.02 The Committee's Power and Authority. In addition to the responsibilities and powers assigned to the Committee elsewhere in the Plan, the Committee shall have the authority, in its discretion, to establish, from time to time, guidelines or regulations for the administration of the Plan, to interpret the Plan, and to make all determinations it considers necessary or advisable for the administration of the Plan. All decisions, actions or interpretations of the Committee under the Plan shall be final, conclusive and binding upon all parties.

The Committee may designate Employees of the Company and professional advisors to assist the Committee in its administration of the Plan and may grant authority to Employees of the Company to execute agreements or other documents on behalf of the Committee in connection with the administration of the Plan. The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any advice and any computation received from any such counsel, consultant or agent. The Company shall pay all expenses and costs incurred by the Committee for the engagement of any such counsel, consultant or agent.

10.03 Modification of Awards. (a) (a) To the extent not inconsistent with the terms of the Plan or any provision of applicable law, the Committee, in its discretion, may waive or modify any of the terms and conditions set forth in the instrument evidencing the grant of any Award made to a Participant hereunder, including without limitation: (i) in the case of any Option, to permit such Option to become exercisable as to any portion of the Shares subject to the Option at any time earlier than the time specified in such instrument, to extend the term of such Option beyond the date specified in such instrument as the expiration date for the term of the Option (but not beyond the day immediately preceding the tenth anniversary of the Date of Grant of the Option), or to permit such Option, to the extent it has become or becomes exercisable, to remain exercisable for any period of time (including any period after the Eligible Person's Termination of Service for any reason) beyond the period of time specified in such instrument but not beyond the date of expiration of the Option, including any extension thereof permitted under this clause (a); (ii) in the case of any Award of Restricted Shares or Restricted Units, to cause the Restricted

Period applicable to such Restricted Shares or Restricted Units (including any related Dividend Equivalent Units) to expire, and the Restrictions applicable to such Restricted Shares or Restricted Units to lapse, as of any date earlier than the date provided for in such instrument; (iii) in the case of any Award of Performance Shares or Performance Units (including any related Dividend Equivalent Units), to cause the Performance Period applicable to such Performance Shares or Performance Units to expire and to treat the Performance Goal or Goals established with respect to such Performance Shares or Performance Units as having been met, in full or in part; and (iv) in the case of any Award of Rights (including any related Dividend Equivalent Units), to cause the Appreciation Period applicable to such Rights to expire as of any date earlier than the date provided for in such instrument.

(b) Notwithstanding the foregoing, no waiver or amendment may be authorized or directed by the Committee pursuant to this Section 10.03 without the consent of the Participant if: (i) it would adversely affect, to any material extent, any of the rights or obligations of the Participant with respect to such Award; or (ii) in the case of any Option granted hereunder that was intended to constitute an Incentive Stock Option, if such waiver or amendment would cause such Option to fail to be treated as an "incentive stock option" within the meaning of Section 422 of the Code. In addition, no such waiver or amendment may be authorized or directed by the Committee pursuant to this Section 10.03 with respect to any Option, Restricted Shares or Restricted Units, Performance Shares or Performance Units or Rights awarded to any Covered Executive, if such waiver or amendment would cause the delivery of Shares or the payment of any cash amounts that are made with respect to such Award to fail to be deductible for federal income tax purposes pursuant to the applicable provisions of Section 162(m) of the Code and the regulations issued thereunder.

10.04 CEO Power and Authority. With respect to such number of Shares as the Compensation Committee may in its discretion determine to be available from time to time for the grant of Awards in any form to Employees who are not Executive Officers, the CEO shall have the authority: (a) to determine which of such Employees shall receive Awards in each form specified by the Compensation Committee; (b) to determine the time or times when Awards in such form shall be made to such Eligible Employees; (c) to determine the number of Shares that will be subject to any Option, or the number of Restricted Shares, Restricted Units, Performance Shares, Performance Units or Rights, to be included in any Award to any such Employee; (d) with respect to any Award of Performance Shares or Performance Units made to any such Employees, to make all determinations which the Committee is authorized to make with respect to such Award under the provisions of Section 6.02, Section 6.07 and Section 6.09(a); and (e) with respect to any Awards made to any such Employees pursuant to the CEO's exercise of the authority granted to him under this Section 10.04, to exercise all of the authority and powers granted to the Committee under Section 10.02 above and under the second paragraph of Section 10.05 below, but only to the extent that any such exercise by the CEO is not inconsistent with any action taken by the Compensation Committee, or with any determination, decision or interpretation of the Plan made by the Compensation Committee, under Section 10.02 above or any delegation made by the Compensation Committee under the second paragraph of Section 10.05 below.

Except for the matters specified in the foregoing paragraph and any additional matters pertaining to Awards to Employees who are not Executive Officers with respect to which

authority has been granted to the CEO pursuant to this Section 10.04, the CEO shall not have any of the authority or powers otherwise granted to the Compensation Committee under any other provisions of the Plan.

The Compensation Committee in its discretion may at any time, by resolution duly adopted by it and without any amendment of the Plan, revoke or modify in any manner or respect the authority and powers granted to the CEO under this Section 10.04.

10.05 Delegation. In addition to the authority and powers granted to the CEO under Section 10.04 above, the Compensation Committee in its discretion may, by resolution duly adopted by it, delegate to the CEO authority with respect to such other matters pertaining to Awards to Employees who are not Executive Officers as the Compensation Committee may specify in such resolution. Any authority so delegated to the CEO may be revoked or modified by the Compensation Committee, in whole or in part, at any time.

The Committee may delegate any ministerial or nondiscretionary function pertaining to the administration of the Plan to any one or more officers or other employees of the Company or any of its Affiliates.

10.06 Non-U.S. Participants. In order to comply with any applicable provisions of local law and regulations in any foreign country in which the Company or any of its Affiliates operates, the Committee may in its sole discretion: (a) modify the terms and conditions of Awards granted under the Plan to Eligible Persons located in such foreign country; (b) establish subplans with such modifications to the terms of the Plan as it determines to be necessary or appropriate under the circumstances applicable in such foreign country; or (c) take any other action that it deems necessary or appropriate in order to comply with, or obtain any exemptions from the applicability of, the local laws and regulations in such foreign country.

10.07 Designation and Change of Beneficiary. Each Participant shall file with the Committee, or with such Employee of the Company who has been designated by the Committee to receive same, a written designation of one or more persons as the Beneficiary who shall be entitled to receive any Shares or cash amount payable with respect to any Award upon or after the Participant's death. A Participant may, from time to time, revoke or change his or her Beneficiary designation without the consent of any previously designated Beneficiary by filing a new designation with the Committee or its designee. The last such designation received by the Committee or its designee shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt. If at the date of a Participant's death, there is no designation of a Beneficiary in effect for the Participant pursuant to the provisions of this Section 10.07, or if no Beneficiary designated by the Participant in accordance with the provisions hereof survives to receive any Shares or cash amount payable under the Plan with respect to the Participant after his or death, the Participant's estate shall be treated as the Participant's Beneficiary for purposes of the Plan.

10.08 Taxes. Notwithstanding any other provision of the Plan, the Company and each of its Affiliates may make such provisions and take such steps as it may deem necessary or appropriate for the withholding of all federal, state and local taxes required by law to be withheld

with respect to the exercise of any Option or with respect any payments to be made in respect of any other form of Award granted to a Participant under the Plan, including but not limited to: (a) deducting the amount of taxes so required to be withheld from any other compensation or other amounts then or thereafter payable to the Participant, and/or (b) withholding delivery of any Shares or payment of any cash amount otherwise required to be delivered or paid to the Participant with respect to the exercise of such Option, or with respect to such other form of Award, until the amount of taxes so required to be withheld has been paid in full to the Company or any of its Affiliated Companies. With the approval of the Compensation Committee and subject to such terms and conditions as it may require, such amount may be paid in Shares previously owned by the Participant, or by the surrender of a portion of the Shares that otherwise would be delivered or paid to such Participant with respect to his or her Award, or by a combination of payments in cash and Shares.

10.09 Amendment or Termination. The Board of Directors may, with prospective or retroactive effect, amend, suspend or terminate the Plan or any portion thereof at any time; provided, however, that: (a) no amendment, suspension or termination of the Plan shall, without the Participant's written consent, adversely affect the rights of any Participant with respect to any Awards previously granted to the Participant; and (b) no amendment which constitutes a "material revision" of the Plan, as the term material revision is defined in the applicable NASDAQ rules, shall be effective unless approved by the stockholders of the Company in the manner required by such rules and by applicable law.

10.10 Participant Rights Unsecured. A Participant shall have the status of a general unsecured creditor of the Company with respect to his or her right to receive any cash payment provided for by the instrument containing the terms of any Award made pursuant to the Plan. The Plan and the instrument containing the terms of any Award providing for the payment of cash shall constitute a mere promise by the Company to make payments in the future of the benefits provided for therein. It is intended that the arrangements reflected in the Plan be treated as unfunded for tax purposes, as well as for purposes of any applicable provisions of Title I of ERISA.

10.11 Terms of Employment Not Affected. Neither the Plan nor any Award granted to a Participant hereunder or any other action taken in connection with the Plan shall be construed as giving any Participant any right to be retained in the employment of the Company or any of its Affiliates. In addition, the Plan, any Award granted to a Participant hereunder and any other action taken by the Committee pursuant to the Plan shall not be deemed or construed to interfere with the right of the Company or any of its Affiliates to terminate a Participant's employment or service at any time subject, however, to the Participant's rights under any employment contract in effect between the Participant and the Company or any of its Affiliates.

No Award made to a Participant under the Plan, and no payment made with respect to such Award, shall be considered as compensation or wages payable to the Participant for purposes of determining the amount of contributions or benefits the Participant may be entitled to receive under any employee benefit plan of the Company or any of its Affiliates, except as specifically provided in such plan or as otherwise determined by the Board of Directors.

10.12 Successors. The obligations of the Company under the Plan shall be binding upon any successor Company or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor Company or organization succeeding to substantially all of the assets and business of the Company. The Company agrees that it will make appropriate provision for the preservation of Participants' rights under the Plan in any agreement or plan which it may enter into or adopt to effect any such merger, consolidation, reorganization or transfer of assets.

10.13 Binding Effect. The provisions of the Plan and the terms and conditions contained in the instrument evidencing any Award made to a Participant hereunder shall be binding upon the Participant, his or her successors and permitted transferees.

10.14 Governing Law. The Plan shall be governed by and construed in accordance with the laws of the State of New York without reference to its conflicts of law principles.

10.15 Effective Date. The initial adoption of the Plan was approved by the Board of Directors on November 30, 2004, and by the stockholders of the Company on May 19, 2005. This amendment and restatement was approved by the Board of Directors on February 16, 2006 and shall be effective as of the date, set forth below, on which it is executed by an authorized officer of the Company and supercedes the provisions of the Plan as in effect immediately prior to such date.

IN WITNESS WHEREOF, Gibraltar Industries, Inc. has caused this Plan to be executed as of the 18th day of December, 2006.

GIBRALTAR INDUSTRIES, INC.
MANAGEMENT STOCK PURCHASE PLAN

First Amendment and Restatement

Effective as of May 19, 2005, Gibraltar Industries, Inc., a Delaware corporation with offices at 3556 Lake Shore Road, Buffalo, New York (the "Company") established the Gibraltar Industries, Inc. 2005 Equity Incentive Plan (the "Omnibus Plan") to enable the Company to grant awards of equity based compensation its employees and to non-employee directors, consultants and service providers.

In addition, effective as of May 19, 2005, the Company established the Gibraltar Industries, Inc. Management Stock Purchase Plan (the "Plan") to set forth a uniform set of principals under which certain of the Company's management employees would be permitted to purchase Restricted Stock Units which the Company is authorized to issue pursuant to the Omnibus Plan.

Pursuant to the terms of the Plan and the Omnibus Plan, the Plan is to be treated as an instrument evidencing the grant of an Award under the Omnibus Plan.

The Company now desires to amend and restate the Plan to permit the Company's non-Employee Directors to elect to defer their receipt of their Director Fees and to have Restricted Stock Units credited to an Account established for their benefit under the Plan in lieu of their receipt of their Director Fees and to make certain other technical changes.

In connection with the foregoing, the Company hereby adopts the following as the First Amendment and Restatement of the Gibraltar Industries, Inc. Management Stock Purchase Plan.

ARTICLE 2.

OVERVIEW OF PLAN OPERATION

2.01 General Description of Plan Operation. In general, the Plan will be operated in the manner described in this Section 2.01. The more specific provisions relating to the Plan and its operation are contained in the remaining Articles of this Plan.

(a) Individual Employees will be selected for participation in the Plan by the Committee. Each non-Employee Director will, by virtue of such status, be eligible to participate in the Plan.

(b) If an Employee is selected for participation in the Plan the Employee will be entitled to defer receipt of up to fifty percent (50%) of the Bonus that the Employee is entitled to receive under the Annual Bonus Plan. In addition, each Eligible Director will be entitled to defer up to one hundred percent (100%) of his Director Fees.

(c) Due to applicable tax rules, an Eligible Employee that elects to defer his receipt of payment of a portion of his Bonus must file his election to defer a portion of his Bonus with the Committee no later than June 30 of the calendar year in which he performs the services which will give rise to his entitlement to payment of the Bonus to be deferred. In addition, due to these applicable tax rules, an Eligible Director that elects to defer any portion of his Director Fees must file his election to defer any portion of his Director Fees with the Committee no later than December 31 of the calendar year immediately preceding the calendar year in which the Director Fees which he is electing to defer will be paid.

(d) If an Eligible Employee elects to defer his receipt of payment of a portion of his Bonus, at the time his Bonus is payable (which is in the calendar year following the year in which he makes his election to defer his Bonus), the portion of his Bonus which he has elected to defer will not be paid to him and, instead, the Committee will credit an Account which will be established for his benefit with a number of Restricted Units equal to the number of Shares he could have purchased using the deferred portion of his Bonus at a price per Share equal to the

Fair Market Value of a Share on the date he receives payment of his Bonus.

(e) If an Eligible Director elects to defer his receipt of payment of any portion of his Director Fees, on each date that he is entitled to payment of any portion of his Director Fees, whether attributable to Retainer Fees, fees for attendance at meetings of the Board of Directors or any committee thereof, or any other fees, a portion (stated as a percentage) of his Director Fees which he has elected to defer will not be paid to him and, instead, the Committee will credit an Account which will be established for his benefit with a number of Restricted Units equal to the number of Shares he could have purchased using the deferred portion of his Director Fees at a price per Share equal to the Fair Market Value of a Share determined as of the date Director Fee Deferral Units are to be allocated to the Director's Account as provided for in the Deferred Director Fee Election Form.

(f) In addition to the Bonus Deferral Units that are credited to the Account of a Participant that is an Eligible Employee as described in (d) above, at the same time that Bonus Deferral Units are credited to such Eligible Employee's Account, the Committee will credit the Eligible Employee's Account with an additional number of Restricted Units (Matching Units) which have an aggregate Fair Market Value, determined as of the date that Bonus Deferral Units are credited to the Account of the Eligible Employee, equal to the total amount of the Bonus which was deferred by the Eligible Employee multiplied by the Eligible Employee's Matching Percentage. Similarly, in addition to the Director Fee Deferral Units credited to the Account of a Participant that is an Eligible Director as described in (e) above, at the same time that Director Fee Deferral Units are credited to such Eligible Director's Account, the Committee will credit the Eligible Director's Account with an additional number of Matching Units equal to the number of Retainer Fee Deferral Units, if any, credited to the Eligible Director's Account.

(g) The total value of the Restricted Units credited to the Account of a Participant that is an Eligible Employee will not be distributable to the Eligible Employee until the Eligible Employee's employment is terminated or, if earlier, the date a Change in Control occurs. However, if the Eligible Employee's employment is terminated before he has attained age sixty (60), the Matching Units credited to the Eligible Employee's Account will be forfeited and the amount which is distributable to the Eligible Employee will only consist of an amount equal to the value of the Bonus Deferral Units credited to the Eligible Employee's Account.

(h) The total value of the Restricted Units credited to the Account of a Participant that is an Eligible Director will not be distributable to the Eligible Director until the date on which the Eligible Director's status as a member of the Board of Directors is terminated or, if earlier, the date a Change in Control occurs. However, if the Eligible Director's status as a member of the Board of Directors is terminated before he has attained age sixty (60), the Matching Units credited to the Eligible Director's Account will be forfeited and the amount which is distributable to the Eligible Director will only consist of an amount equal to the value of the Retainer Fee Deferral Units credited to the Eligible Director's Account.

(i) At the time a Participant becomes entitled to a distribution, the number of Restricted Units credited to the Participant's Account (and not forfeited) will be converted (hypothetically and for accounting purposes only) to a cash amount equal to the total number of

Restricted Units credited to the Participant's Account (and not forfeited) multiplied by the Fair Market Value of one Share determined as of the date the Participant becomes entitled to a distribution. However, as indicated in Sections 2.01(g) and (h) above, if the Participant's employment or status as a member of the Board of Directors is terminated before he has attained at least age sixty (60), the total number of Restricted Units which are credited to the Participant's Account will not include any Matching Units.

(j) If the Participant is entitled to a distribution because his employment has been terminated or his status as a member of the Board of Directors has been terminated, the cash value of the Participant's Account will be distributed to the Participant in five (5) substantially equal annual payments beginning in the month of January following the date the Participant's employment is terminated and continuing in each subsequent January thereafter until the full value of the Participant's Account has been distributed. This five (5) year period for distribution of the Participant's Account can be extended for up to ten (10) years subject to applicable Internal Revenue Code provisions relating to the deferral of Compensation. The installment payments required to be made to the Participant as described above in this Section 2.01(j) shall be paid in cash less applicable withholding taxes.

(k) During the period between the date the Participant's Account is converted to cash and the date the entire value of the Participant's Account is distributed, the value of the Account shall be increased by interest at an annual rate equal to the Applicable Interest Rate, compounded annually.

(l) If a Participant is entitled to a distribution because a Change in Control has occurred, on the date such Change in Control occurs, each Participant shall be paid an amount, in one lump sum payment less applicable withholding taxes, equal to the total number of Restricted Units credited to the Participant's Account multiplied by the Fair Market Value of one Share determined as of the date on which the Change in Control occurs.

ARTICLE 3.
PARTICIPATION

3.01 Commencement of Participation by Eligible Employees. As soon as possible after the Committee determines that an Employee has become an Eligible Employee, the Committee shall deliver a written notice to such Employee informing him that he is eligible to become a Participant in this Plan and that he will become a Participant in this Plan upon his execution and delivery to the Committee of a Deferred Bonus Election Form. If an Employee receives a written notice from the Committee that he is eligible to become a Participant in the Plan and the Employee does not execute and deliver a Bonus Deferral Election Form to the Committee within the time period provided for by the Committee, the Employee shall not thereafter be eligible to become a Participant in the Plan with respect to any subsequently payable Bonus unless the Committee provides the Employee written notice that he is eligible to become a Participant in the Plan with respect to any such subsequently payable bonus, prior to the time that the Employee must deliver a Deferred Bonus Election Form to the Committee with respect to such subsequently payable Bonus.

3.02 Deferred Bonus Election Form. The Committee shall provide each Eligible Employee with a Deferred Bonus Election Form within a reasonable period of time before June 30 of each year that the Eligible Employee is entitled to defer his receipt of a portion of his Bonus. The Deferred Bonus Election Form provided to each Eligible Employee shall specify the amount of the Eligible Employee's Matching Percentage.

3.03 Commencement of Participation by Eligible Directors. Each Eligible Director shall be eligible to become a Participant in this Plan at any time and shall become a Participant in the Plan upon his execution and delivery to the Committee of a Deferred Director Fee Election Form within the time provided for by the Committee.

3.04 Termination of Participation. Each individual that becomes a Participant in the Plan shall continue to participate until the full value of his Account has been distributed to him or his Beneficiary.

ARTICLE 4.
DEFERRAL OF BONUSES

4.01 Bonus Deferrals. Each Eligible Employee shall be entitled to defer his or her receipt of a portion of his or her Bonus by executing and delivering a Deferred Bonus Election Form to the Committee within the time provided for by Section 4.02 hereof. An Eligible Employee's election to defer any portion of his Bonus shall become irrevocable upon his delivery to the Committee of his executed Bonus Deferral Election Form. Notwithstanding anything to the contrary contained in this Plan, the maximum aggregate amount of the Bonus which a Participant shall be permitted to defer his receipt of for any Plan Year, shall be equal to fifty percent (50%) of the Bonus payable to the Participant under the terms of the Annual Bonus Plan for services performed in the immediately preceding calendar year.

4.02 Procedure for Making Bonus Deferrals. In order for a Participant to defer his receipt of the Bonus, if any, which is payable under the terms of the Annual Bonus Plan, the Participant must execute and deliver a Deferred Bonus Election Form to the Committee on or before June 30 of the calendar year in which the services giving rise to the payment of such Bonus are performed.

4.03 Effect of Bonus Deferrals. If a Participant elects to defer his receipt of any portion of the Bonus which he is entitled to receive under the Annual Bonus Plan for services performed for the Company for a calendar year, the portion of the Bonus which the Participant has elected to defer the receipt of (as set forth in the Deferred Bonus Election Form which the Participant has delivered to the Committee) shall not be paid to the Participant at the time such Bonus would otherwise have been paid and, instead, the Participant's Account shall be credited with a number of Bonus Deferral Units equal to the number of Shares (including fractional Shares) which could have been purchased with the amount of the Bonus that has been deferred by the Participant at a price per Share equal to the Fair Market Value of a Share determined as of the date on which the Participant is paid the portion of his or her Bonus which has not been deferred pursuant to this Plan.

ARTICLE 5.
DEFERRAL OF DIRECTOR FEES

5.01 Director Fee Deferrals. Each Eligible Director shall be entitled to defer his receipt of all or any portion of his Director Fees by executing and delivering a Deferred Director Fee Election Form to the Committee within the time provided for by Section 5.02 hereof. An Eligible Director's election to defer any portion of his Director Fees shall become irrevocable upon his delivery to the Committee of his executed Deferred Director Fee Election Form. Notwithstanding the foregoing, with respect to any individual who first becomes a member of the Board of Directors after the effective date of this amendment and restatement, the maximum amount of the Director Fee which may be deferred by such Eligible Director in the first calendar year that such individual is an Eligible Director shall be equal to the Director Fee payable to such Eligible Director for the first calendar year multiplied by a fraction, the numerator of which is the number of days remaining in the calendar year beginning on the date the Eligible Director delivers his executed Deferred Director Fee Election Form to the Committee and the denominator of which is the number of days remaining in the calendar year beginning on the date the Eligible Director first becomes a member of the Board of Directors.

5.02 Procedure for Making Director Fee Deferrals. In order for an Eligible Director to defer his receipt of any portion of the Director Fees which he is entitled to receive for any calendar year, he must execute and deliver a Deferred Director Fee Election Form to the Committee on or before December 31 of the calendar year immediately preceding the calendar year in which any portion of the Director Fees to be deferred by the Eligible Director are to be paid. With respect to Director Fees payable to an Eligible Director for the first calendar year in which the individual is an Eligible Director, the Eligible Director must execute and deliver a Deferred Director Fee Election Form to the Committee within thirty (30) days following his election to membership on the Board of Directors in order to defer his receipt of any portion of such Director Fees.

5.03 Effect of Director Fee Deferrals. If an Eligible Director elects to defer his receipt of any portion of the Director Fees payable to the Eligible Director for a calendar year, the portion of the Director Fees which the Eligible Director has elected to defer the receipt of (as set forth in the Deferred Director Fee Election Form which the Eligible Director has delivered to the Committee) shall be withheld from the Director Fees which are payable to the Eligible Director for the calendar year in which the Eligible Director has elected to defer his receipt of any portion of his Director Fees and instead, the Eligible Director's Account shall be credited with a number of Director Fee Deferral Units equal to the number of Shares (including fractional shares) which could have been purchased with the amount of the Director Fees withheld from Directors Fees otherwise payable to the Eligible Director at a price per Share equal to the Fair Market Value of a Share determined as of the date the Director Fee Deferral Units are allocated to the Eligible Director's Account as provided for in the Deferred Director Fee Election Form. In addition, if an Eligible Director has elected to defer any portion of his Retainer Fee, the total number of Director Fee Deferral Units to be allocated to the Account of the eligible Director shall include (in a sub-account to be established by the Committee) a number of Retainer Fee Deferral Units equal to the number of Shares which could have been purchased with the amount of the Retainer Fee withheld from the Eligible Director's Retainer Fee at a price per Share equal

to the Fair Market Value of a Share determined as of the date the full amount of the Eligible Director's Retainer Fee (or any applicable installment thereof) would otherwise have been paid to the Eligible Director.

ARTICLE 6.
MATCHING AND OTHER ALLOCATIONS

6.01 Matching Allocations. For each Plan Year that this Plan is in effect, the Company shall make an allocation of Matching Units to the Account of each Eligible Employee with respect to whom Bonus Deferral Units have been credited as provided for by Section 4.03 and, if an Eligible Director has elected to defer any portion of his Retainer Fee, to the Account of each Eligible Director with respect to whom Retainer Fee Deferral Units have been credited as provided for by Section 5.03. The number of Matching Units to be credited to the Account of an Eligible Employee for any Plan Year in which Bonus Deferral Units have been credited to such Eligible Employee's Account shall be equal to the aggregate number of Shares (including fractional shares) which could be purchased, at a price per share equal to the Fair Market Value of a Share determined as of the date that Bonus Deferral Units are credited to the Eligible Employee's Account, with an amount equal to: (a) the aggregate amount of the Bonus deferred by the Eligible Employee; multiplied by (b) the Eligible Employee's Matching Percentage. The number of Matching Units to be credited to the Account of an Eligible Director for any Plan Year in which Retainer Fee Deferral Units have been credited to such Eligible Director's Account shall be the same as the number of Retainer Fee Deferral Units credited to the Eligible Director's Account for such Plan Year.

6.02 Forfeiture of Matching Units. If an Eligible Employee's employment with the Company is terminated before he has attained at least age sixty (60), the Matching Units credited to the Eligible Employee's Account shall be forfeited on the date the Eligible Employee's employment is terminated. If an Eligible Director's service as a member of the Board of Directors of the Company is terminated before he has attained age sixty (60), the Matching Units credited to the Eligible Director's Account shall be forfeited. Notwithstanding the foregoing, if an Eligible Employee's employment with the Company is terminated in connection with a Change in Control or if an Eligible Director's service with the Company is terminated in connection with a Change in Control, the number of Matching Units credited to the Account of the Eligible Employee and the number of Matching Units credited to the Account of the Eligible Director shall not be forfeited even though the Eligible Employee or the Eligible Director has not attained age sixty (60).

6.03 Certain Anti-Dilutive Adjustments. In the event of any change in the number of outstanding Shares of Common Stock without receipt of consideration by the Company resulting from any stock dividend, stock split, recapitalization, reorganization, merger, consolidation, split-up, combination or exchange of Shares, or any rights offering to purchase Shares of Common Stock at a price substantially below fair market value, or any similar change affecting the Shares of Common Stock the number of Restricted Units credited to a Participant's Account on the date of such change shall be appropriately adjusted consistent with such change in such manner as the Committee, in its sole discretion, may deem equitable to prevent substantial

dilution or enlargement of the rights granted to, or available for, the Participants hereunder.

ARTICLE 7.
ACCOUNTS

7.01 Participant's Account. The Committee shall establish and maintain an Account in the name of each Eligible Employee to which the Committee shall allocate Bonus Deferral Units and Matching Units. In addition, the Committee shall establish and maintain an Account in the name of each Eligible Director to which the Committee shall allocate Director Fee Deferral Units (including, if applicable, a sub account separately identifying the number of Director Fee Deferral Units which are Retainer Fee Deferral Units) and Matching Units. Thereafter, at the time a Participant becomes entitled to a distribution of the value of the Restricted Units credited to his Account, the Participant's Account shall be credited (hypothetically and for accounting purposes only) with a dollar amount determined as provided in Section 8.01 below. The Accounts established by the Committee for Participants in connection with its administration of this Plan shall be for recordkeeping purposes and shall not require any segregation of any assets of the Company.

7.02 Time of Allocation. In each Plan Year in which an Eligible Employee defers the amount of the Bonus which is payable to him in such Plan Year (which Bonus deferral is based on the Eligible Employee's election, made in the preceding Plan Year, to defer the payment of any bonus the Eligible Employee might earn for such preceding Plan Year), the Bonus Deferral Units and Matching Units required to be allocated to the Eligible Employee's Account shall be allocated to the Eligible Employee's Account as of the date payment is made to the Eligible Employee of the portion of his Bonus (attributable to services performed in the preceding Plan Year) which has not been deferred. In each Plan Year in which an Eligible Director defers any portion of the Director Fees which are payable to him in such Plan Year (which Director Fee deferral is based on the Eligible Director's election, made in the preceding Plan Year), the Director Fee Deferral Units required to be allocated to the Eligible Director's Account shall be allocated to the Eligible Director's Account as of the date provided for in the Deferred Director Fee Election Form and, if the Eligible Director has elected to defer any portion of his Retainer Fee, Matching Units attributable to the Eligible Director's deferral of a portion of his Retainer Fee shall be allocated to the Eligible Director's Account on the date provided for in the Deferred Director Fee Election Form.

7.03 Allocation Does Not Vest Any Interest. The fact that Bonus Deferral Units, Director Fee Deferral Units and Matching Units have been allocated to the Account of a Participant shall not vest in such Participant or any Beneficiary any right, title or interest in any assets of the Company except at such time or times and upon the terms and conditions herein provided.

7.04 Statement of Account. At the time that Bonus Deferral Units, Director Fee Deferral Units and Matching Units are credited to a Participant's Account (as provided for in Section 7.02 above) the Committee shall provide a written notice to the Participant which states the number of Bonus Deferral Units or the number of Director Fee Deferral Units (whichever the case may be) and the number of Matching Units credited to the Participant's Account in

connection with the Participant's deferral of his receipt of a portion of his Bonus or the Participant's deferral of his receipt of a portion of his Director Fees, together with a statement of the total number of Bonus Deferral Units or the total number of Director Fee Deferral Units (whichever the case may be) and the total number of Matching Units credited to the Participant's Account as of such date. In addition, as soon as practicable following the end of each Plan Year, the Committee shall deliver: (a) to each Eligible Employee that is a Participant, a statement of the total number of Bonus Deferral Units and Matching Units which are credited to the Eligible Employee's Account; and (b) to each Eligible Director that is a Participant, a statement of the total number of Director Fee Deferral Units and Matching Units which are credited to the Eligible Director's Account. Finally, if, as provided by Section 8.01 hereof, the Participant's Account is converted to cash (for accounting purposes), as soon as practicable following the end of each Plan Year that the Participant continues to have a balance in his Account, the Committee shall deliver to such Participant a statement of the value of the Participant's Account and the amount of interest credited to the Participant's Account for the Plan Year.

ARTICLE 8.
DISTRIBUTIONS

8.01 Conversion of Account. (a) If an Eligible Employee's employment with the Company and all of its Affiliates is terminated, the Committee shall convert the total number of Restricted Units credited to the Account of the Eligible Employee to a cash value equal to the number of Restricted Units credited to the Eligible Employee's Account determined as of the date the Eligible Employee's employment is terminated multiplied by the Fair Market Value of one Share determined as of the day immediately preceding the date an Eligible Employee's employment is terminated. For purposes of this Section 8.01(a), the total number of Restricted Units which are credited to a Eligible Employee's Account as of the date the Eligible Employee's employment is terminated shall not include any Matching Units which are forfeited pursuant to the provisions of Section 6.02 hereof.

(b) If an Eligible Director's membership on the Board of Directors is terminated, the Committee shall convert the number of Restricted Units credited to the Account of the Eligible Director to a cash value equal to the number of Restricted Units credited to the Eligible Director's Account determined as of the date the Eligible Director's membership on the Board of Directors is terminated multiplied by the Fair Market Value of one Share determined as of the day immediately preceding the date the Eligible Director's membership on the Board of Directors is terminated. For purposes of this Section 8.01(b), the total number of Restricted Units which are credited to an Eligible Director's Account shall not include any Matching Units which are forfeited pursuant to the provisions of Section 6.02 hereof.

(c) Upon the occurrence of a Change in Control, the Committee shall convert the total number of Restricted Units credited to the Accounts of all Participants to a cash value equal, in the case of each Participant, to the number of Restricted Units credited to the Participant's Account determined as of the date the Change in Control occurs multiplied by the Fair Market Value of one Share determined as of the date the Change in Control occurs. The conversion of the Participant's Account to a cash value shall be for accounting purposes only

and shall not require any segregation of any assets of the Company.

8.02 Crediting of Interest. Unless a Participant's Account is distributed in one lump sum payment pursuant to Section 8.06 hereof, at the end of each Plan Year following the occurrence of an event giving rise to such installment distribution, the Committee shall increase the cash value of the Participant's Account by interest at an annual rate equal to the Applicable Interest Rate. The amount of the interest to be credited to the Participant's Account shall be compounded annually.

8.03 Distribution of the Participant's Account. Except as provided in Section 8.04 below, if the employment of an Eligible Employee that is a Key Employee is terminated for any reason other than death, the value of such Key Employee's Account shall be distributed in five (5) consecutive annual installments beginning in the month of January immediately following the end of the six (6) month period beginning on the date the Key Employee's employment is terminated and continuing in each succeeding January thereafter until the fifth (5th) January following the end of such six (6) month period, at which time the entire remaining balance in the Eligible Employee's Account shall be distributed to the Participant.

In addition, except as provided in Section 8.04 below, if the employment of a an Eligible Employee that is not a Key Employee is terminated or if the employment of an Eligible Employee that is a Key Employee is terminated as a result of his death, the value of such Eligible Employee's Account shall be distributed to the Eligible Employee in five (5) consecutive annual installments beginning in the month of January immediately following the date the Eligible Employee's employment is terminated and continuing in each succeeding January thereafter until the fifth (5th) January following the date the Eligible Employee's employment is terminated, at which time the entire remaining balance in the Eligible Employee's Account shall be distributed to the Eligible Employee.

Finally, if an Eligible Director's membership on the Board of Directors is terminated, the value of such Eligible Director's Account shall be distributed to the Eligible Director in five (5) consecutive annual installments beginning in the month of January immediately following the date the Eligible Director's membership on the Board of Directors is terminated and continuing in each succeeding January thereafter until the fifth (5th) January following the date the Eligible Director's membership on the Board of Directors is terminated at which time the entire remaining balance in the Eligible Director's Account shall be distributed to the Eligible Director.

For purposes of the foregoing provisions of this Section 8.03, the amount of each annual installment shall be equal to the value of the Participant's Account determined as of the day immediately preceding the date the installment is to be paid, divided by the total number of annual installments remaining to be paid to the Participant.

8.04 Optional Extension of Period of Distribution. Notwithstanding the provisions of Section 8.03 hereof, a Participant shall be permitted to extend the period of time in which distribution of the value of his Account is made to a period not to exceed ten (10) years beginning with the first January following the date the Participant's employment is terminated.

Any such extension shall be made in accordance with and subject to any restrictions on the rights of individuals to defer compensation provided for by Section 409A of the Internal Revenue Code and the applicable regulations promulgated thereunder.

8.05 Payment of Account. Amounts required to be distributed to a Participant pursuant to Sections 8.03 and 8.04 shall be paid in one payment in the month of January in which any such distribution is to be made, in cash, less the amount of any withholding taxes due with respect to any such payment.

8.06 Distribution on a Change in Control. Upon the occurrence of a Change in Control, each Participant shall be paid an amount equal to the number of Restricted Units credited to his Account, determined as of the date the Change in Control occurs, multiplied by the Fair Market Value of a Share, determined as of the date the Change in Control occurs, less any applicable withholding taxes. Upon the occurrence of a Change in Control, the amount required to be paid to a Participant shall be paid to the Participant in cash in one lump sum payment on the date the Change in Control occurs.

8.07 Distributions on Death. Any payment or distribution required to be made to a Participant under the terms of this Plan shall, in the event of the death of the Participant, be paid to the Participant's Beneficiary at the same time and in the same manner as the payments would have been made to the Participant if he had not died.

ARTICLE 9. ADMINISTRATION

9.01 The Committee. Except as provided in Section 1.12 hereof with respect to Executive Officers and non-Employee Directors, the Committee shall consist of not less than three (3) persons appointed by the Board of Directors and shall be the administrative committee which administers the Plan as the plan administrator. Any member of the Committee may resign by delivering his written resignation to the Board of Directors. The Committee is entitled to rely on such information as is supplied by the Company and shall have no duty or responsibility to verify such information.

9.07 Multiple Signatures. In the event that more than one person has been duly nominated to serve on the Committee, one signature may be relied upon by any interested party as conclusive evidence that the Committee has duly authorized the action therein set forth and as representing the will of and binding upon the whole Committee. ARTICLE 10. AMENDMENT AND TERMINATION

10.01 Amendment. The Board of Directors of the Company shall have the right at any time and from time to time, without the consent of any Participant or Beneficiary, to amend, in whole or in part, any or all of the provisions of this Plan. Notwithstanding the foregoing, no

amendment to the Plan shall be effective to the extent that it has the effect of decreasing the value of a Participant's Account determined as of the date any such amendment is adopted or to the extent it has the effect of depriving any Participant or the Beneficiary of any Participant of any amount which, as of the date such amendment is adopted, has irrevocably become payable (whether immediately or in the future) to such Participant or Beneficiary under the terms of this Plan as in effect on the day immediately preceding the date on which such amendment is executed.

10.02 Termination. Subject to the limitation on the right to amend this Plan contained in Section 10.01 hereof, the Company, by action of its Board of Directors shall have the right at any time to discontinue its allocations hereunder and to terminate this Plan. Upon termination of this Plan, any amounts payable to any Participants or Beneficiaries at the time this Plan is terminated shall continue to be payable to such Participants or Beneficiaries as provided for by this Plan.

ARTICLE 11.
MISCELLANEOUS

11.01 No Rights Created by Plan — Terms of Employment Not Affected. Neither the establishment of the Plan nor any modification hereof, nor the creation of any fund or account, nor the payment of any benefits, shall be construed as giving to any Participant, Beneficiary or other person any legal or equitable right against the Company, his Employer or any officer or Employee thereof or the Committee, except as herein provided. Under no circumstances shall participation in this Plan by an Employee constitute a contract of continuing employment or in any manner obligate the Employer to continue the services of an Employee.
